Supervisors: Term. Qualifications.

SEC. 2. The Board of Supervisors shall consist of eighteen members, all of whom shall hold office for two years and be elected from the City and County at large. Each one must be at the time of his election an elector of the City and County, and must have been such for at least five years next preceding his election. Each Supervisor shall receive an annual salary of twelve hundred dollars.

Every person who has served as Mayor of the City and County, so long as he remains a resident thereof, shall be entitled to a seat in the Board of Supervisors and to participate in its debates, but shall not be entitled to a vote nor to any compensation.

Quorum.

SEC. 3. A majority of all the members of the Board shall constitute a quorum, but a less number may adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as the Board may prescribe.

Powers of the Board of Supervisors.

SEC. 4. The Board shall:

1. Appoint a clerk, sergeant-at-arms and, when authorized to do so by ordinance, such additional clerks and other assistants as may be deemed necessary.

Rules.

2. Establish rules for its proceedings.

3. Keep a journal of its proceedings, and allow the same to be published. The ayes and noes shall on demand of any member be taken and entered therein.

Decorum.

4. Have authority to punish its members for disorderly or contemptuous behavior in its presence.

Presiding Officer.

SEC. 5. The Mayor shall be the presiding officer of the Board of Supervisors. In the absence of the Mayor the Board shall appoint a presiding officer pro tempore from its own members, who shall have the same right to vote as other members.

Meetings: Time and Place.

SEC. 6. The Board shall meet on Monday of each week, or if that day be a legal holiday, then on the next day. The Board shall not adjourn to any other place than to its regular place of meeting, except in case of great necessity or emergency. The meetings of the Board shall be public.

Clerk of the Board: Duties and Powers.

SEC. 7. The clerk of the Board, when requested to do so, shall administer oaths and affirmations, without charge, in all matters pertaining to the affairs of his office, and shall perform such services as may be prescribed by the Board. He shall have the custody of the seal, and of all leases, grants and other documents, records and papers of the City and County. His signature shall be necessary to all leases, grants and conveyances of the City and County.

Ordinances: Enactment and Passage.

SEC. 8. Every legislative act of the City and County shall be by ordinance. The enacting clause of every ordinance shall be in these words: "Be it ordained by the People of the City and County of San Francisco as follows." No ordinance shall be passed except by bill, and no bill shall be so amended as to change its original purpose.

Bills and Resolutions: Final Adoption.

SEC. 9. No bill shall become an ordinance, nor resolution be adopted, unless finally passed by a majority of all the members of the Board and the vote be taken by ayes and noes and the names of the members voting for and against the same be entered in the Journal.

Revision and Amendment.

SEC. 10. No ordinance shall be revised, re-enacted or amended by reference to its title; but the ordinance to be revised or re-enacted, or the section thereof amended, shall be re-enacted at length as revised and amended.

Reconsideration: Franchises.

SEC. 12. When a bill is put upon its final passage in the Board and fails to pass, and a motion is made to reconsider, the vote upon such motion shall not be acted upon before the expiration of twenty-four hours after adjournment. No bill for the grant of any franchise shall be put upon its final passage within ninety days after its introduction, and no franchise shall be renewed before one year prior to its expiration. Every ordinance shall, after amendment, be laid over for one week before its final passage.

Advertisement of Bills and Resolutions.

SEC. 13. Every bill or resolution providing for any specific improvement, or the granting of any franchise or privilege, or involving the lease, appropriation or disposition of public property, or the expenditure of public money, except sums less than two hundred dollars, or levying any tax or assessment, and every ordinance providing for the imposition of a new duty or penalty, shall, after its introduction, be published in the official newspaper with the ayes and noes, for at least five successive days (Sundays and legal holidays excepted) before final action upon the same. If such bill be amended, the bill as amended shall be advertised for a like period before final action thereon. But in cases of great necessity the officers and heads of departments may, with the consent of the Mayor, expend such sums of money, not to exceed two hundred dollars, as shall be necessary to meet the requirements of such necessity.

Veto of Separate Items by the Mayor.

SEC. 14. If any bill be presented to the Mayor containing several items appropriating money or fixing a tax levy, he may object to one or more items separately, while approving other portions of the bill. In such case he shall append to the bill at the time of signing it a statement of the item or items to which he objects and the reasons therefor, and the item or items so objected to shall not take effect unless passed notwithstanding the Mayor's objection. Each item so objected to shall be separately reconsidered by the Board in the same manner as bills which have been disapproved by the Mayor.

When Ordinances Take Effect.

SEC. 15. No ordinance shall take effect until ten days after its passage unless otherwise provided in such ordinance.

Approval or Disapproval of Mayor.

SEC. 16. Every bill and every resolution as hereinbefore provided, which shall have passed the Board and shall have been duly authenticated, shall be presented to the Mayor for his approval. The Mayor shall return such bill or resolution to the Board within ten days after receiving it. If he approve it he shall sign it and it shall then become an ordinance. If he disapproves it he shall specify his objections thereto in writing. If he does not return it with such disapproval within the time above specified, it shall take effect as if he had approved it. The objections of the Mayor shall be entered at large in the Journal of the Board, and the Board shall, after five and within thirty days after such bill or resolution shall have been so returned, reconsider and vote upon the same. If the same shall, upon reconsideration, be again passed by the affirmative vote of not less than fourteen members of the Board, the presiding officer shall certify that fact on the bill or resolution, and when so certified, the bill shall become an ordinance with like effect as if it had been approved by the Mayor.

If the bill or resolution shall fail to receive the vote of fourteen members of the Board it shall be deemed finally lost. The vote on such reconsideration shall be taken by ayes and noes and the names of the members voting for and against the same shall be entered in the Journal.

Deposit of All Ordinances.

SEC. 17. All ordinances and resolutions shall be deposited with the Clerk of the Board, who shall record the same at length in a suitable book.

Repeal of Ordinances.

SEC. 18. No ordinance shall be repealed except by ordinance adopted in the manner hereinbefore set out, and such ordinance shall be presented to the Mayor for his approval as hereinbefore provided.

Demands for Payment of Money.

SEC. 19. Except as provided in Chapter III of Article III of this Charter, all demands payable out of the treasury must, before they can be approved by the Auditor or paid by the Treasurer, be first approved by the Board of Supervisors. All demands for more than two hundred dollars shall be presented to the Mayor for his approval, in the manner hereinbefore provided for the passage of bills or resolutions. All resolutions directing the payment of money other than salaries or wages, when the amount exceeds five hundred dollars, shall be published for five successive days (Sundays and legal holidays excepted) in the official newspaper.

Adoption of Ordinances, by Initiative.

SEC. 20. Whenever there shall be presented to the Board of Election Commissioners a petition signed by a number of voters equal to fifteen per centum of the votes cast at the last preceding State or City and County election, asking that an ordinance to be set forth in such petition, be submitted to a vote of the electors of the City and County, the Board of Election Commissioners must submit such proposed ordinance to the vote of the electors at the next election.

The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. One of the signers of each such paper shall make oath before an officer competent to administer oaths, that the statements therein made are true, and that each signature to the paper appended is the genuine signature of the person whose name purports to be thereto subscribed.

The tickets used in such election shall contain the words "FOR THE ORDINANCE" (stating the nature of the proposed ordinance) and "AGAINST THE ORDINANCE" (stating the nature of the proposed ordinance).

If a majority of the votes cast upon such ordinance shall be in favor of the adoption thereof, the Board of Election Commission-

ers shall, within thirty days from the time of such election, proclaim such fact; and upon such proclamation such ordinance shall have the same force and effect as an ordinance passed by the Supervisors and approved by the Mayor, and the same shall not be repealed by the Supervisors. But the Supervisors may submit a proposition for the repeal of such ordinance, or for amendments thereto, for vote at any succeeding election; and should such proposition, so submitted, receive a majority of the votes cast thereon at such election, such ordinance shall be repealed or amended accordingly.

Referendum Vote Required.

SEC. 21. Except as otherwise provided in the Constitution of the State, or as otherwise provided in this Charter, every ordinance involving the granting by the City and County of any franchise for the supply of light or water, or for the lease or sale of any public utility, or for the purchase of land of more than fifty thousand dollars in value, must be submitted to the vote of the electors of the City and County at the election next ensuing after the adoption of such ordinance.

The tickets used at such election shall contain the words "FOR THE ORDINANCE" (stating the nature of the proposed ordinance) and "AGAINST THE ORDINANCE" (stating the nature of the proposed ordinance).

If a majority of the votes cast upon such ordinance shall be in favor of the adoption thereof, the Board of Election Commissioners shall, within thirty days from the time of such election, proclaim such fact; and upon such proclamation such ordinance shall have the same force and effect as an ordinance passed by the Supervisors and approved by the Mayor.

No such franchise, or lease or sale of any public utility, or purchase of land, shall be of any force or effect except it be made by ordinance, and such ordinance be adopted by the people as in this section provided.

Amendments to Charter by Petition.

SEC. 22. Whenever there shall be presented to the Supervisors a petition signed by a number of voters equal to fifteen per centum of the votes cast at the last preceding State or municipal election, asking that an amendment or amendments to this Charter, to be set out in such petition, be submitted to the people, the Board must submit to the vote of the electors of the City and County the proposed amendment or amendments.

The signatures to the petition need not all be appended to one paper. Each signer shall add to his signature his place of residence, giving the street and number. One of the signers of each such paper shall make oath before an officer competent to administer oaths that the statements made therein are true and that each signature to such paper appended is the genuine signature of the person whose name purports to be thereto subscribed.

The Board of Election Commissioners must make all necessary provision for submitting the proposed amendment or amendments to the electors at a special election to be called by it, and shall canvass the vote in the same manner as in other cases of election.

All the provisions of the Constitution of the State embracing the subject in this section provided for are hereby expressly made applicable to such proposed amendment or amendments. But if at any time there shall be no constitutional provision or provisions under which this Charter may be amended, then the aforesaid amendment or amendments must be submitted by the Board of Election Commissioners to the vote of the electors of the City and County at the election which next ensues after such petition is filed with the Supervisors, if any such election is not to be held within sixty days after the filing of such petition.

The tickets used at such election shall contain the words "FOR THE AMENDMENT" (stating the nature of the proposed amendment) and "AGAINST THE AMENDMENT" (stating the nature of the proposed amendment).

If a majority of the votes cast upon such amendment or amendments shall be in favor of the adoption thereof, the Board of Election Commissioners shall, within thirty days from the time of such election, proclaim such fact, and thereupon this Charter shall be amended accordingly.

Recall of Elected Officials. Petition for Removal of Officer. Election: How Conducted.

SEC. 23. The holder of any elective office may be removed at any time by the electors qualified to vote for a successor of such incumbent. The procedure to effect the removal of an incumbent of an elective office shall be as follows:

A petition signed by electors entitled to vote for a successor to the incumbent sought to be removed, equal in number to at least 30 per centum of the entire vote cast at the election at which the officer sought to be removed was elected demanding the election of a successor to the person sought to be removed, shall be filed with the Board of Election Commissioners; *provided*, that the petition sent to the Board of Election Commissioners shall contain a general statement of the grounds for which the removal is sought. The petition shall be presented, and the signatures thereon shall be authenticated and verified as in this Charter provided, in relation to petitions for the submission of Charter amendments and ordinances to the electors.

If the petition shall be found to be sufficient, the Board of Election Commissioners shall transmit the same to the Board of Supervisors without delay, and attach thereto their certificate showing the result of said examination. The Board of Supervisors shall thereupon call a special election, fix the date for holding the same, which date shall be not less than thirty days nor more than forty

days from the date of the reception of said petition and certificate from the Board of Election Commissioners.

The Board of Election Commissioners shall make or cause to be made publication of notice and all arrangements for holding such election, and the same shall be conducted, returned, and the result thereof declared in all respects as are other municipal elections. The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself; and unless he requests otherwise in writing, the Board of Election Commissioners shall place his name on the official ballot without nomination. In any such removal election, the candidate receiving the highest number of votes shall be declared elected. At such election, if some other person than the incumbent receive the highest number of votes, the incumbent shall thereupon be deemed removed from the office, upon qualification of his successor. In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of his election, the office shall be deemed vacant. If the incumbent receives the highest number of votes, he shall continue in office.—*New section added by amendment adopted November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 34.)*

SEC. 3. The Board of Supervisors shall appoint from its members a committee consisting of three to be denominated Finance Committee, and shall fill all vacancies in the Committee. The Committee shall investigate the transactions and accounts of all officers having the collection, custody or disbursement of public money, or having the power to approve, allow, or audit demands on the treasury; shall have free access to any records, books and papers in all public offices; shall have power to administer oaths and affirmations, and to examine witnesses, and compel their attendance before them by subpoena. The Committee may at any time visit any of the public offices and make its examinations and investigations therein without hindrance.

The Committee must, at least once in every six months, examine the official bonds of all City and County officers, and investigate the sufficiency and solvency of the sureties thereon, and report in writing the facts to the Mayor. Such report shall specify each bond with the sureties, and the amounts for which each surety is bound, and state whether or not they are sufficient and solvent. Upon such report the Mayor shall take such action as shall be necessary to protect the City and County, and may require new bonds when necessary, and he may suspend any officer till a sufficient bond is filed and approved.

Expert Books of Quasi-Public Corporations. Misdemeanors in Office.

SEC. 4. The Finance Committee shall have power, and it shall be its duty, to examine the records and examine and expert the books of account of all persons, companies or corporations that are required to pay a portion of their gross receipts into the treasury; and shall likewise, as an aid to the fixing of rates for furnishing water and light to the City and County and to the inhabitants thereof, have like power, and it shall be its duty, to examine the records and examine and expert the books of account of any and all persons, companies or corporations so furnishing water or light.

In the exercise of its functions, the concurrence of two members of the Committee shall be deemed sufficient. If, from the examination made by the Committee, it shall appear that a misdemeanor in office, or a defalcation, has been committed by

an officer, the Committee shall immediately report to the Mayor, who, if he approve the report, shall take such proceedings against such officer as are authorized by law, and may suspend him pending such proceedings. Any police officer shall execute the process and orders of the Committee.

No Exclusive Franchise.

SEC. 5. No exclusive franchise or privilege shall be granted for laying pipes, wires or conduits.

Street Railway Franchises: Method of Granting.

SEC. 6. The Board of Supervisors shall have power to grant authority for a term not exceeding twenty-five years to construct and operate street railways upon, or over, or under, the streets or parts of streets of the City and County not reserved for boulevards or carriage driveways, upon the following conditions and in the following manner and none other:

Upon application being made to the Board for any such franchise, it shall by resolution determine whether such franchise or any part thereof should be granted, and at said time shall determine on what conditions the same shall be granted additional to those conditions provided in this Chapter. After such determination, it shall cause notice of such application and resolution to be advertised in the official newspaper of the City and County for ten consecutive days. Such advertisement must be completed not less than twenty nor more than thirty days before any further action is taken by the Board on such application. The advertisement must state the character of the franchise sought, the term of its proposed continuance, and the route to be traversed; that sealed bids will be received up to a certain hour on a day to be named in the advertisement; and a further statement that no bids will be received of a stated amount, but that all bids must be for the payment to the City and County in lawful money of the United States of a stated percentage of the gross annual receipts of the person, company or corporation to whom the franchise may be awarded, arising from its use, operation, enjoyment or possession.

Every bidder shall file with his bid a bond executed to the City and County, with at least two good and sufficient sureties to be approved by the Mayor in a penal sum prescribed by the Supervisors, and set forth in such advertisement, conditioned that such bidder will well and truly observe, fulfill and perform each and all of the conditions, terms and obligations of the franchise for which said application was made in case the same shall be awarded to him, and that in case of the breach of any of the conditions of such bond, the whole amount of the penal sum therein named shall be taken to be liquidated damages, and that as such shall be recoverable from the principal and sureties on such bond.

At the next regular session after the expiration of the time stated in such advertisement up to which such bids will be re-

ceived, the Board must open such bids and award the franchise to the person, company or corporation offering to pay the highest stated percentage of the gross receipts arising from the use, operation, possession or enjoyment of the franchise for which such application was made. But no award shall be made, nor any such application granted, unless the stated percentage offered to be paid for the franchise shall be at least three per centum of such gross receipts during the first five years of the period for which the franchise is to be granted, four per centum of the gross receipts during the next succeeding ten years, and five per centum of the gross receipts during the next succeeding ten years.

Except as in this section otherwise provided, bidding for such franchises must be in accordance with the provisions of this Charter in relation to bids made to the Board of Public Works, so far as such provisions may be applicable. The Supervisors may reject any and all bids, and may refuse to grant a franchise for any part of the route for which application was made. Every ordinance making such grant shall require the concurrence of three-fourths of all the members of the Board of Supervisors, as shown by the ayes and noes, and the approval of the Mayor, and at least ninety days shall intervene between the introduction and final passage of any such ordinance. It shall require a vote of five-sixths of all the Supervisors to pass the ordinance notwithstanding the objections of the Mayor.

If any bid be accepted, the franchise must be granted upon the express condition, in addition to the conditions required by this Charter, and such other conditions as may be prescribed by the Supervisors, that the per centum of the gross receipts of the railway shall be paid into the treasury on or before the tenth day of the next ensuing month after such gross receipts shall have been earned; and upon the further condition that the whole of the railway shall be continuously operated, and that at the end of the term the road-track and bed of such railway and all its stationary fixtures upon the public streets, shall become the property of the City and County; and that the grantees will, within one hundred days after the date of such grant, commence the construction of such railway, and continuously thereafter, in each and every month until the completion thereof, expend in such construction at least the sum of three thousand dollars.

The failure to comply with any of said conditions shall work an immediate forfeiture of such franchise and the road or track constructed thereunder. There shall be no power in the Supervisors to relieve from such forfeiture or from any of said conditions. On or before the tenth day of each month after said receipts shall have been earned, the President and Secretary of said railway company shall make and file with the Clerk of the Board of Supervisors a sworn statement of the gross receipts of such railway for the preceding month.

In granting any such franchise the Board of Supervisors shall impose such other lawful conditions as it may deem advisable, and must expressly provide that the franchise shall not be renewed or regrantd, and that the Board shall at all times have the power to regulate the rates of fare to be charged by those using, operating, possessing or enjoying the franchise, and that the Finance Committee of the Board shall at all times be permitted to examine and expert their books as to such gross receipts. All moneys received for such franchises and in payment of the said per centum shall be credited to the General Fund.

Electric Power and Lighting Franchises. Conditions and Manner of Granting Same.

SEC. 7. The Supervisors shall have no power to grant franchises or privileges to erect poles or wires for transmitting electric power or for lighting purposes along or upon any public street or highway of the City and County except upon all the conditions and in the manner, including competitive bidding and payment of a percentage of gross receipts, hereinbefore set out, and upon the further condition that the Board shall at all times have the right to regulate the charges of any person, company or corporation using, enjoying or possessing such franchise or privilege.

When, on the expiration of any street railroad franchise, it shall be deemed inexpedient by the Board to use any of the property reverting to it by reason of such expiration in the operation of a street railroad, then the Board shall have power to lease such property to any person, company or corporation after the notice, on the terms, and in the manner above provided as to the granting of street railroad franchises, as far as the same may be applicable. But no ordinance authorizing such lease shall be passed prior to ninety days next preceeding the expiration of such franchise.

Any ordinance granting a franchise or authorizing a lease under the provisions of this section shall be in force from and after the expiration of thirty days from the date of its signature by the Mayor, or from and after the expiration of thirty days from the date of its passage by the Supervisors over his objections, unless within said thirty days a petition signed by a number of the electors of the City and County equal to fifteen per centum of the votes cast at the last preceeding election shall have been filed with the Supervisors, asking that said ordinance be submitted to the vote of the people. In such case said ordinance shall be submitted at the next election to the vote of the electors of the City and County, and unless said ordinance shall at said election receive in its favor a majority of the votes cast thereon it shall have no force or effect for any purpose. If a majority of the votes be in favor of such ordinance, the Board of Election Commissioners shall, on the conclusion of the canvass of the vote thereon, proclaim such fact, and upon such proclamation said ordinance shall have full force and effect as of the date afore-

said. Said petition and submission shall be made in accordance with the provisions of section twenty of Chapter I of this Article.

Claims for Damages Against the City.

SEC. 8. All claims for damages against the City and County must be presented to the Board of Supervisors and filed with the Clerk within six months after the occurrence from which the damages are claimed to have arisen; otherwise there shall be no recovery on any such claim.

Sales of Certain Lands and Procedure Therefor.

SEC. 9. The City and County of San Francisco shall have power to sell all lands owned by the City and County between Ninth street and Eighteenth street, lying in what was formerly Mission Creek, and any and all lands that may be hereafter acquired, excepting lands for parks, squares and children's playgrounds, and the Board of Supervisors of said City and County may by ordinance determine that the public interest or necessity demands the sale of such lands, so owned or held by the City and County.

Such ordinance must describe the lands to be sold, and the terms of sale, which must be for cash in United States gold coin. The land may be sold in one parcel or in subdivisions, as the Supervisors may, in such ordinance, determine, and sales shall be made by the Mayor, as hereinafter provided.

Every such sale must be at public auction, unless the Supervisors shall, in and by such ordinance, determine that all or a portion of such lands shall be sold at private sale.

When a sale at public auction is to be had, the Clerk of the Board of Supervisors must give notice thereof by publishing the same in the official newspaper, and one other daily newspaper published in the City and County, at least three weeks successively next before the sale, which said notice shall describe the lands to be sold, with common certainty.

Such sales at public auction must be made in the City and County, and must be between the hours of 9 o'clock in the morning and 5 o'clock in the afternoon, and must be made on the day named in the notice of sale, unless the same is postponed.

When it shall have been determined by the Supervisors, as hereinbefore provided, that the sale of such lands shall be at private sale, a notice shall be published in the official newspaper, and one other daily newspaper published in the City and County, for two weeks successively next before the day on or after which the sale is to be made, and the land and tenements to be sold must be described therein with common certainty. The notice must state a day on or after which the sale will be made, and must state that all bids or offers will be received by the Mayor of the City and County, at his office. The day last referred to must be at least fifteen days from the first publication of notice; and the sale must not be made before that day, but must be made within six

months thereafter. The bids or offers must be in writing, and must be filed with the Mayor, at his office.

No sale of real estate at private sale shall be confirmed by the Supervisors as hereinafter provided, unless the sum offered shall be at least 90 per cent of the appraised value thereof, to be fixed and determined as next hereinafter provided.

An appraisement of such lands shall be made and filed with the Supervisors, within three weeks after the final passage of the ordinance hereinbefore mentioned, by the Mayor, the Assessor, and the chairman of the Finance Committee of the Supervisors, who are hereby constituted a board of appraisement for such purpose.

When a sale shall have been made by the Mayor, at public auction or at private sale, as hereinbefore provided, he shall require from the person to whom the property is sold a deposit amounting to 10 per cent of the sum bid. He shall immediately thereafter, at the next meeting of the Supervisors, report the fact of such sale to the Supervisors, with a statement of the sum bid, and the name of the bidder, with a request that the Board confirm such sale.

The Clerk of the Supervisors shall immediately thereupon give notice by publication in the official newspaper, and one other daily newspaper published in the City and County, that at a meeting of the Supervisors, to be held not less than twenty, nor more than thirty days, from the first publication of such notice, that such sale has been made, the amount for which the property has been sold, and the name of the purchaser. Such notice shall also contain a statement that at such meeting, if an offer of 10 per cent more in amount than that named in said notice shall be made to the Supervisors, in writing, by a responsible person, the Supervisors will confirm such sale to such person, or order a new sale, as hereinafter provided.

At such meeting, if it appears to the Supervisors that the sum bid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained, or if an increased bid, as hereinbefore mentioned, be made and accepted the Board of Supervisors may, by an ordinance, passed by an affirmative vote, of at least fifteen of its members, confirm such sale, and direct conveyances to be executed by the Mayor. A certified copy of such ordinance shall be recorded in the County Recorder's office in the County in which the property is situated.

The Board of Supervisors may, in its discretion, confirm or refuse to confirm any sale.

In the event of the refusal of the Board of Supervisors to confirm the sale, all proceedings taken as hereinbefore provided, for the sale of the lands shall be void and of no effect.

If the sale is confirmed by the Board of Supervisors, conveyances must thereupon be made by the Mayor to the person to

whom the sale shall have been so confirmed, and shall be delivered to him upon payment of the balance of the purchase price. Such conveyances shall be in the name of the City and County, and shall be effective to convey all the right, title and interest of the City and County in and to the lands therein described, to the grantee therein named.—*New section added by amendment adopted November 5 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 39.)*

CHAPTER III.

CONTRACTS.

Manner of Purchasing Supplies and Awarding of Contracts.

SECTION 1. All contracts for goods, merchandise, stores, supplies, subsistence or printing for the City and County, as well as for all subsistence, supplies, drugs, and other necessary articles for hospitals, prisons, public institutions and other departments not otherwise specifically provided for in this Charter, must be made by the Supervisors with the lowest bidder offering adequate security, after publication for not less than ten days in the official newspaper; and no purchase thereof or liability therefor shall be made or created except by contract.

Except as otherwise provided in this Charter, the Board must determine annually what goods, merchandise, stores, supplies, drugs, subsistence and other necessary articles will be needed by the City and County for the ensuing year, and it shall have no power to purchase or to pay for the same unless the provisions in this Charter provided as to competitive bidding for supplies are strictly followed, and no contract shall be made for any of the same unless upon such competitive bidding.

All proposals shall be accompanied with a certificate of deposit or certified check on a solvent bank in the City and County of ten per centum on the amount of the bid, payable at sight to the order of the Clerk of the Supervisors. If the bidder to whom the contract is awarded shall for five days after such award fail or neglect to enter into the contract and file the required bond, the Clerk shall draw the money due on such certificate of deposit or check and pay the same into the treasury; and under no circumstances shall the certificate of deposit or check or the proceeds thereof be returned to such defaulting bidder.

Notices for proposals for furnishing the aforesaid articles shall mention said articles in general and shall state that the conditions and schedule may be found in the office of the Clerk of the Board of Supervisors; and shall also state that such articles are to be delivered at such times, in such quantities, and in such manner, as the Supervisors may designate. Any bidder may bid separately for any article named. The award as to each article shall in all cases be made to the lowest bidder for such article, and where

a bid embraces more than one article, the Supervisors shall have the right to accept or reject such bid or the bid for any one or more articles embraced therein. In the case of contracts for subsistence of prisoners the advertisement for proposals shall specify each article required, the quality thereof, the quantity for each person, and the existing and probable number of persons to be supplied. No article or articles provided for in this section shall have been made in any prison. The Supervisors shall require bonds with sufficient sureties for the faithful performance of every contract. The Clerk of the Supervisors shall furnish printed blanks for all such proposals, contracts and bonds.

All bids shall be sealed and delivered by the bidder to the Clerk of the Supervisors, and opened by the Board at an hour and place to be stated in the advertisement for proposals, in the presence of all bidders who attend, and the bidders may inspect the bids. All bids with alterations or erasures therein shall be rejected. All articles so supplied shall be subject to inspection and rejection by the Supervisors and by the person in charge of the office, institution or department for which the same are supplied. Every contract for work to be performed for the City and County must provide that in the performance of the contract eight hours shall be the maximum hours of labor on any calendar day, and that the minimum wages of laborers employed by the contractor in the execution of his contract shall be two dollars a day. Any contract for work to be performed for the City and County which does not comply with the provisions of this section shall be null and void, and any officer who shall sign the same shall be deemed guilty of misfeasance and upon proof of such misfeasance shall be removed from office.

Contracts for Official Advertising.

SEC. 2. All contracts for official advertising shall be let annually in like manner by the Supervisors to the lowest responsible bidder publishing a daily newspaper in the City and County which has a bona fide daily circulation of at least eight thousand copies, and has been in existence at the time of letting such contract for at least two years. In inviting proposals therefor, such advertising shall not be classified and no proposal shall be acted upon which offers to do such advertising at different rates for different portions thereof.

Such advertising shall be construed to mean the advertising and publication of all official reports, orders, ordinances, messages, resolutions, notices inviting proposals and all notices of every nature relating to city work. No part or kind of such advertising shall be charged or contracted for at a higher rate than any other part or kind of the same is charged or contracted for, except in the case of the delinquent tax list.

The newspaper to which the award of such advertising is made shall be known and designated as the "official newspaper."

The advertising of the delinquent tax list shall be let to the lowest responsible bidder on a separate bidding from all other official advertising.

No board, department or officer shall make any publication which is not expressly authorized by this Charter or by the Supervisors.

Stationery Supplies.

SEC. 3. The Clerk of the Supervisors shall annually, under the direction of the Supervisors, advertise for proposals for supplying the various departments, officers and offices of the City and County with all stationery and supplies in the nature of stationery, assessment books, minute books, blank books and the printing of blanks. The contracts for stationery shall be separate from those for printing.

Notice for proposals for supplies shall require a greater or less quantity to be delivered at such times and in such manner as the Supervisors may designate. The advertisement for bids for paper shall state the weight, quality and size of the various kinds required, and that for printing shall enumerate the various letter heads, tax bills, tax receipts, court notices, and all blanks, papers and documents now used or hereafter required in any and all departments of the City and County, including the forms, papers and blanks now used or hereafter required by the courts of the City and County.

The forms for all printing shall be consecutively numbered, and each form and blank shall be known as No.— (specifying the number). Such advertisement shall be published for at least ten days, and shall require the bidders to state the price at which each article will be furnished, printed or manufactured, as the same may be required from time to time during such period, and the amount of the bond that will be required as security for the performance of the contract.

No stationery furnished to any officer or department shall contain the name or names of the officer or officers constituting the head of the department or board. The contract or contracts must be made with the lowest bidder offering adequate security, quantity and quality being considered. The Clerk of the Supervisors shall have rooms in the City Hall for the custody of such stationery, and when purchased the same shall be delivered to him, and he shall issue and distribute the same to the various departments as required.

He shall keep accounts in detail, charging himself with all goods received, and crediting himself with the goods delivered upon order or requisition as hereinafter provided. When any of such supplies are required for any department, the Clerk of the Supervisors shall issue the same after the requisition for such articles has been made by the head of such department and approved by the Mayor.

All requisitions for printing shall be made in a similar manner. The Clerk shall report monthly in writing to the Supervisors in detail, the amount of all paper, blanks, books, stationery and printing ordered by and delivered to any department or officer.

Collusion With Bidder Constitutes Misfeasance.

SEC. 4. Any officer of the City and County, or of any department thereof, who shall aid or assist a bidder in securing a contract to furnish labor, material or supplies, at a higher price or rate than that proposed by any other bidder, or who shall favor one bidder over another, by giving or withholding information, or who shall wilfully mislead any bidder in regard to the character of the material or supplies called for, or who shall knowingly accept materials or supplies of a quality inferior to that called for by the contract, or who shall knowingly certify to a greater amount of labor performed than has been actually performed, or to the receipt of a greater amount or different kinds of material or supplies than has been actually received, shall be deemed guilty of misfeasance and shall be removed from office.

Execution, Signing and Registration of Contracts.

SEC. 5. All contracts provided for in this Chapter must be in writing and executed in the name of the City and County by the Mayor. All such contracts must be countersigned by the Clerk of the Supervisors, and registered by number and date in a book kept by him for that purpose. When a contractor fails to enter into the contract awarded to him or to perform the same, new bids must be invited, and a contract awarded as provided herein in the first instance. When the Supervisors believe that the prices bid are too high, or that bidders have combined to prevent competition, or that the public interest will be subserved thereby, they may reject any and all bids and cause the notice for proposals to be re-advertised.

Lighting Contracts.

SEC. 6. No contract for lighting streets, public buildings, places or offices, shall be made for a longer period than one year, nor shall any contract to pay for gas, electric light or any illuminating material at a higher rate than the minimum price charged to any other consumer, be valid. Demands for lighting public buildings shall be presented monthly to the board or department using or having charge thereof, and shall specify the amount of gas, electric light or illuminating material consumed in such building during the month.

ARTICLE III.
FINANCE AND TAXATION.

CHAPTER I.
LEVYING OF TAXES.

Estimates of Annual Requirements in Each Department.

SECTION 1. On or before the first Monday of April in each year the heads of departments, offices, boards and commissions of the City and County shall send to the Supervisors an estimate in writing of the amount of expenditure, specifying in detail the objects thereof, required in their respective departments, offices, boards and commissions, including a statement of the salaries of their subordinates. Duplicates of these estimates shall be sent at the same time to the Auditor.

Auditor's Annual Estimate of the City's Requirements and Revenue.

SEC. 2. On or before the first Monday of May in each year the Auditor shall transmit to the Supervisors an estimate of the probable expenditures of the City and County government for the next ensuing fiscal year, stating the amount required to meet the interest and sinking funds for all outstanding funded debts, and the wants of all the departments of the municipal government in detail, and showing specifically the amount necessary to be apportioned to each fund in the treasury; also an estimate of the amount of income from fines, licenses and other sources of revenue, exclusive of taxes upon property, and the probable amount required to be levied and raised by taxation.

Supervisors to Make Annual Budget.

SEC. 3. The Supervisors shall meet annually between the first Monday of May and the first Monday of June, and by a vote of a majority of all the members thereof make a budget of the amounts estimated to be required to pay the expenses of conducting the public business of the City and County for the next ensuing fiscal year. The budget shall be prepared in such detail as to the aggregate sum and the items thereof allowed to each department, office, board or commission, as the Supervisors shall deem advisable.

Before finally determining upon the budget, the Supervisors shall fix such sufficient time or times as may be necessary to allow the taxpayers to be heard in regard thereto, and the Supervisors shall attend at the time or times so appointed for such hearing.

Mayor May Veto Items.

SEC. 4. Any item in said budget may, within ten days, be vetoed in whole or in part by the Mayor, and it shall require fifteen votes of the Supervisors to overcome such veto. Action thereon must be taken before the last Monday of June.

After the final estimate is made in accordance herewith, it shall be signed by the Mayor and the Clerk of the Supervisors, and the

several sums shall then be appropriated for the ensuing fiscal year to the several purposes and departments therein named. The estimate shall be filed in the office of the Auditor.

Annual Tax Levy.

SEC. 5. The Supervisors must cause to be raised annually according to law, and collected by tax, the amounts so appropriated, less the amounts received from fines, licenses and other sources of revenue.

Demands Upon the Treasury.

SEC. 6. Except as otherwise provided in this Charter, no money shall be drawn from the treasury unless in consequence of appropriations made by the Supervisors and upon warrants duly drawn thereon by the Auditor.

Warrants.

SEC. 7. No warrant shall be drawn except upon an unexhausted specific appropriation.

Appropriation for Urgent Necessities.

SEC. 8. The Supervisors may appropriate \$100,000 a year for urgent necessities not otherwise provided for by law. No money shall be paid out of this appropriation unless authorized by a five-sixths vote of all the members of the Board of Supervisors, and approved by the Mayor.—*As amended November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 37).*

One-Twelfth Limit on Monthly Expenditures. Registration of Demands and Agreements.

SEC. 9. It shall not be lawful for the Supervisors, or for any board, department, officer or authority having power to incur, authorize or contract liabilities against the treasury, to incur, authorize, allow, contract for, pay or render payable in the present or future, in any one month, any expenditure, demand or demands, against any appropriation, which, taken with all other expenditures, indebtedness or liability made or incurred up to the time in such month of making or incurring the same, shall exceed one-twelfth part of the amount of the appropriation for the fiscal year.

When any board, department or officer having power to incur liabilities against the treasury shall make any agreement for obtaining supplies or having labor performed, such department, officer or board shall register such agreement by number and date, and all demands arising under such agreement shall be payable in the order of such registration. Such department, board or officer must inform the person with whom it is proposed to make such agreement of the amount of money available or likely to be available in the fund from which such demands are payable.

If, at the beginning of any month, any money remains unexpended in any appropriation which might lawfully have been expended during the preceding month, such unexpended sum or

sums, except so much thereof as may be required to pay all unpaid claims upon such appropriation, may be carried forward and expended in any succeeding month of such fiscal year; but not afterwards, except in payment of claims lawfully incurred during such fiscal year. Appropriations provided to meet the expense of elections; for the support and maintenance of the Assessor's and Tax Collector's departments; and for urgent necessities, shall be exempt from the provisions of this section.

Indorsement of Auditor Upon Contracts.

SEC. 10. No contracts made, the expense of whose execution is not provided by law or ordinance to be paid by assessments upon the property benefited, shall be binding or of any force, unless the Auditor shall indorse thereon his certificate that there remains unexpended and unapplied as herein provided, a balance of the appropriation or fund applicable thereto, sufficient to pay the estimated expense of executing such contract, as certified by the board or officer making the same. This provision shall not apply to work done, or supplies furnished, involving the expenditure of less than two hundred and fifty dollars, unless the same is required by law to be done by contract at public letting. The Auditor shall make such indorsement upon every such contract so presented to him, if there remains unapplied and unexpended such amount so specified by the officer making the contract, and thereafter shall hold and retain such sum to pay the expense incurred until the contract shall be fully performed. The Auditor shall furnish weekly to the head of each department a statement of the unexpended balances of the appropriation for his department.

Tax Levy: When Made. Dollar Limit.

SEC. 11. On or before the last Monday of June in each year the Supervisors shall levy the amount of taxes for City and County purposes required to be levied upon all property not exempt from taxation. The amount shall be sufficient to provide for the payment during the fiscal year of all demands upon the treasury authorized to be paid out of the same; but such levy, exclusive of the State tax and the tax to pay the interest and maintain the sinking funds of the bonded indebtedness of the City and County, and exclusive of the tax to pay for the maintenance and improvement of the parks, squares and public grounds of the City and County, shall not exceed the rate of one dollar on each one hundred dollars valuation of the property assessed. The Supervisors in making the levy shall apportion the taxes to the several funds.

Apportionment of Revenue.

SEC. 12. In making the apportionment the Supervisors shall take into account and apportion to the several funds the income and revenue estimated to arise during the fiscal year from licenses, fees, and other sources, but the income to pay the interest on the

bonded indebtedness and to provide for the sinking funds shall always be provided for out of the tax on property; *provided*, that whenever any bonded indebtedness shall have been incurred for the acquisition of any of the public utilities named in Article XII of this Charter, the surplus earnings of any such utility for the fiscal year may be applied upon the interest and sinking fund of the bonded indebtedness of such utility for the succeeding fiscal year.—*As amended November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 35).*

Temporary Suspension of Dollar Limit. Liabilities That Are Prohibited.

SEC. 13. The limitation in section eleven of this Chapter upon the rate of taxation shall not apply in case of any great necessity or emergency. In such case the limitation may be temporarily suspended so as to enable the Supervisors to provide for such necessity or emergency. No increase shall be made in the rate of taxation authorized to be levied in any fiscal year, unless such increase be authorized by ordinance passed by the unanimous vote of the Supervisors and approved by the Mayor. The character of such necessity or emergency shall be recited in the ordinance authorizing such action, and be entered in the Journal of the Board.

Nothing in this section shall authorize the incurring of liabilities against the treasury not allowed by law, or which cannot be paid out of the income and revenue provided, collected and paid into the proper fund as its proportion of the same for such fiscal year, or permit liabilities or indebtedness incurred in any one fiscal year to be a charge upon or paid out of the income or revenue of any other fiscal year.

Upon such award, when duly audited, the Treasurer shall, upon the surrender of the bonds, pay the amount to the

person or persons to whom the same was awarded. No bid for the surrender of any of the bonds shall be accepted which shall require a greater sum of money for their redemption than the then worth of the principal and interest of the bonds, calculated with interest, not exceeding four per centum per annum.

No deputy, clerk, or employee of such officers shall receive or accept any fee, compensation or payment, other than his salary as now or hereafter fixed by law, for any work or service performed by him of any official nature, or under color of office, whether performed during or after official business hours.

All Fees to Be Paid to Treasurer.

SEC. 3. Every fee, commission, percentage, allowance, or other compensation authorized by law to be charged, received, or collected by any officer for any official service, must be paid by the officer receiving the same to the Treasurer in the manner herein provided.

Daily Delivery of Fees to Treasurer.

SEC. 4. It shall be the duty of every officer authorized by law to charge, receive or collect any fee, commission, percentage, allowance, or compensation for the performance of any official service or duty of any kind or nature, or rendered in any official capacity, or by reason of any official duty or employment, to deliver the same to the Treasurer at the expiration of each business day. The Treasurer shall thereupon deliver to such officer a receipt for the money so paid, which shall show the amount of money

received, the day and hour when paid, the name of the officer paying the same, the nature of the service performed, and the name and official designation of the person by whom the service was performed; and like entries shall be made upon the stub of such receipt, which shall be kept by the Treasurer. The Treasurer shall place all such moneys in a fund to be designated the "Unapportioned Fee Fund," which is hereby created, and shall keep such fund as other funds in the treasury are kept, and shall be liable on his official bond for all money so received.

Official Receipts.

SEC. 5. The Auditor or other proper officer must prepare and deliver from time to time to the Treasurer, and to every officer authorized by law to charge any fee, commission, percentage, allowance, or compensation, for the performance of any official service or duty, as many official receipts as may be required, charging therewith the Treasurer or other officer receiving them. Such official receipts must be bound into books containing not less than one hundred such receipts, and numbered consecutively, beginning with number one in each class required for each officer for each fiscal year, and provided with a stub corresponding in number with receipt. When the books containing receipts are exhausted by the officer receiving them, he shall return the stubs thereof to the Auditor or other proper officer, in whose custody they shall remain thereafter.

Treasurer's Receipts.

SEC. 6. When a receipt, as herein provided, is issued by the Treasurer, he must state therein the date of payment, the name of the person making the payment, the amount of such payment, the nature of the service for which the charge is made, and the name and official designation of the officer performing the service, and shall make corresponding entries on the stub of each receipt.

Receipts of Other Officers.

SEC. 7. When any receipt is issued by any officer other than the Treasurer as herein provided, he shall state therein the day and hour of the delivery to him of the Treasurer's receipt, the nature of the service therein described, and the amount charged therefor, and the name of the person by whom such receipt is delivered to him, and shall make corresponding entries on the stub to which such receipt is attached.

Treasurer's Monthly Report.

SEC. 8. On the first day of each month the Treasurer must make to the Auditor a report under oath of all moneys received by him during the preceding month, showing the date and number of the receipt on which the money was received, the amount of each payment, by whom paid, the nature of the service, and the name and official designation of the officer performing the service. At the same time, or oftener, if required by the Auditor, the Treas-

urer shall exhibit to the Auditor all official receipts received by him during the previous month, and all official receipts remaining in his hands, unused or not issued, at the close of business on the last day of the preceding month.

Monthly Reports and Exhibits of Officers.

SEC. 9. On the first day of each month every officer authorized by law to charge any fee, commission, percentage, allowance or compensation, must make to the Auditor a report under oath of all official receipts issued by him during the preceding month, showing the date and number of each receipt, to whom issued, the nature of the service for which the charge was made, and the amount of such charge; and must at the same time, or oftener, if required, exhibit to the Auditor, or other proper officer, all the Treasurer's receipts deposited with him during the preceding month, and all receipts remaining in his hands, unused or not issued, at the close of business on the last day of each preceding month.

Settlement of Accounts.

SEC. 10. Upon receiving the reports prescribed by sections eight and nine of this Chapter, the Auditor shall examine and settle the accounts of each officer, and apportion such moneys to the fund or funds to which they are appropriated by law, and certify such apportionment to the Treasurer, who shall thereupon transfer from the "Unapportioned Fee Fund" the amounts so certified, and credit each fund entitled thereto with the proper amount so apportioned.

Mileage. Monthly Statements.

SEC. 11. Every officer who is by law allowed to charge and collect mileage for the service of process, or other like service, shall at the end of each month prepare and deliver to the Auditor a statement showing each process served, the title of the cause, the name of the deputy or other subordinate officer who made the service, the number of miles actually traveled in making such service, the exact day when such service was made, and between what hours of the day, and such statement shall be verified by the oath of such officer. The Auditor shall examine such statement, and issue his warrant upon the Treasurer for such amount of money as will reimburse such officer for his lawful expenses in making such service. Such warrant shall be paid by the Treasurer, without further approval, out of the "Unapportioned Fee Fund." No extra mileage shall be charged or allowed for service of two or more processes served on the same trip by the same deputy or deputies, except for extra mileage actually traveled in serving additional process. All mileage charged in violation of this section shall be disallowed by the Auditor, and all amounts disallowed for any reason shall be apportioned as other moneys in the "Unapportioned Fee Fund."

Employment of Extra Assistants.

SEC. 12. When an officer, legally authorized to employ a person other than one of his deputies or assistants at a stated compensation fixed by law, has employed such person, and in pursuance of such employment such person has rendered the service for which he was employed, such officer shall, at the end of each month, prepare and deliver to the Auditor a statement verified by the oath of such officer, showing the case or instance in which such service was performed, for whom performed, the name of the person so employed, by whom the service was performed, the amount of the charge therefor, the time actually employed in performing such service, and the dates of the beginning and ending of the period during which such person was so employed. The Auditor shall thereupon examine such statement, and if he finds the same correct, he shall audit and allow the verified demand of such person so employed and performing the service for the sum or sums so earned by him for such service, and the Treasurer shall pay such demand so audited and allowed, without further approval, out of the "Unapportioned Fee Fund."

Allowance of Salaries Fixed by Law. Demands Against Common School Fund.

SEC. 13. The demand of the Auditor for his monthly salary shall be audited and allowed by the Mayor. All other demands on account of salaries fixed by law, ordinance, or this Charter, and made payable out of the treasury, may be allowed by the Auditor without any previous approval. All demands payable out of the Common School Fund must, before they can be allowed or paid, be previously approved by the Board of Education. Demands payable out of the treasury for salaries, wages, or compensation of deputies, clerks, assistants, or employees, in any office or department, must, before they can be audited or paid, be first approved in writing by the officer, board, department or authority under whom, or in which, such demand originated. All other demands payable out of any funds in the treasury, must, before they can be allowed by the Auditor, or recognized, or paid, be first approved by the department, board or officer, in which the same has originated, and in all such cases must be approved by the Supervisors.

Every demand against the City and County shall, in addition to the other entries and indorsements upon the same required by this Charter, show: 1. The ordinance or authorization under which the same was allowed. 2. The name of the board, department or authority authorizing the same. 3. The fiscal year within which the indebtedness was incurred. 4. The appropriation provided to meet the demand. 5. The name of the specific fund out of which the demand is payable. Each demand shall have written or printed upon it a statement that the same can only be paid out of the income and revenue provided, collected

and paid into the proper specific fund in the treasury for the fiscal year within which the indebtedness was incurred, and shall refer to Chapter II of this Article, and be numbered with reference to the fund out of which it is payable.

SEC. 14. Whenever any person has, or has received, moneys or other personal property belonging to the City and County, or has been intrusted with the collection, management or disbursement of any moneys, bonds, or interest accruing therefrom, belonging to or held in trust by the City and County, and fails to render an account thereof to, and make settlement with, the Treasurer within the time prescribed by law; or, when no particular time is specified, fails to render such account and make such settlement, or who fails to pay into the treasury any moneys belonging to the City and County upon being required to do so by the Auditor, within twenty days after such requisition, the Auditor must state an account with such person, charging twenty-five per centum damages, and interest at the rate of ten per centum per annum from the time of such failure.

A copy of such account in any suit therein is prima facie evidence of the things therein stated. In case the Auditor cannot for want of information state an account, he may in any action brought by him aver that fact, and allege generally the amount of money or other property which is due to or which belongs to the City and County. The City Attorney must prosecute all actions that may be brought under this section within ten days after notification by the Auditor.

CHAPTER IV.

PAYMENT OF CLAIMS.

Monthly Payment of Salaries. Limitation Upon Demands. Revival of Claims.

SECTION 1. The salaries and compensation of all officers, including policemen and employees of all classes, and all teachers in the public schools, and others employed at fixed wages, shall be payable monthly. Any demand upon the treasury accruing under this Charter shall not be paid, but shall be forever barred by limitation of time, unless the same be presented for payment, properly audited, within one month after such demand became due and payable; or, if it be a demand which must be passed and approved by the Supervisors or Board of Education, or by any other Board, then within one month after the first regular meeting of the proper Board held next after the demand accrued; or, unless the Supervisors shall, within six months after the demand accrued as aforesaid, on a careful examination of the facts, resolve that the same is in all respects just and legal, and the presentation of it, as above required, was not in the power either of the original party interested or his agent, or the present holder;

in which case they may by ordinance revive such claim; but it shall be barred in the same manner unless presented for payment within twenty days thereafter. No valid demand arising subsequent to the claim which may be revived as aforesaid shall be rendered invalid by reason of such revival exhausting the fund out of which subsequent claims might otherwise be paid. Such revived claim shall take rank as of the day of its revival.

SEC. 3. The Mayor shall see that all contracts and agreements with the City and County are faithfully kept and fully performed. A wilful failure to do so shall be cause for the removal of such officer or employe. The Mayor shall give a certificate on demand to any person reporting such facts and information that he has done so, and such certificate shall be evidence in exoneration from a charge of neglect of duty.

The Mayor must institute such actions or proceedings as may be necessary to revoke, cancel or annul all franchises that may have been granted by the City and County to any person, company or corporation which have been forfeited in whole or in part or which for any reason are illegal and void and not binding upon the city. The City Attorney, on demand of the Mayor, must institute and prosecute the necessary actions to enforce the provisions of this section.

The Mayor shall have power to postpone final action on any franchise that may be passed by the Supervisors until such proposed franchise shall be ratified or rejected by a majority of the votes cast on the question at the next election.

SEC. 3. The Auditor shall keep an account of all moneys paid into and out of the treasury, and the Treasurer shall pay no money out of the treasury except upon demands approved by the Auditor. Any ordinance or law providing for the payment of any demand out of the treasury or any fund thereof (whether from public funds or from private funds deposited therein) shall always be

construed as requiring the auditing of such demand by the Auditor before the same be paid.

Demands to Be Numbered and Recorded.

SEC. 4. He shall number and keep an official record of all demands audited by him, showing the number, date, amount, name of the original holder, on what account allowed, against what appropriation drawn, out of what fund payable, and, if previously approved or allowed, by what officer, department or board it has been so approved or allowed. It shall be misconduct in office for the Auditor to deliver a demand with his official approval until this requirement shall have been complied with.

Moneys placed in the Special Deposit Fund shall not be subject to the provisions of this section.

Demands Must Be Indorsed by Auditor.

SEC. 7. Every demand upon the Treasurer, except the salary of the Auditor, must, before it can be paid, be presented to the Auditor, who shall satisfy himself whether the money is legally due, and its payment authorized by law, and against what appropriation payable and out of what fund it is payable. If he allow it, he shall endorse upon it the word "Allowed," with the name of the fund out of which it is payable, and the date of such allowance, and sign his name thereto. No demand shall be approved,

allowed, audited or paid unless it specify each special item, date and amount composing it, and refer by chapter and section to the provisions of this Charter authorizing the same.

SECTION 1. He shall be elected by the people, and hold his office for two years. He shall receive an annual salary of four thousand dollars, which shall be in full compensation for all his services. He may appoint a chief deputy, who shall receive an annual salary of twenty-four hundred dollars, two assistant deputies, who shall each receive an annual salary of eighteen hundred dollars, and one clerk, who shall receive an annual salary of twelve hundred dollars.

Duties of Treasurer. Deposit of Public Funds and Procedure Therefor.

SEC. 2. The Treasurer shall receive and safely keep all moneys which shall be paid into the treasury. Except as hereinafter provided, he shall not lend, exchange, use nor deposit the same, or any part thereof, to or with any bank, banker or person; nor pay out any part of such moneys, nor allow the same to pass out of his personal custody, except upon demands authorized by law or this Charter, and after they shall have been approved by the Auditor. At the close of business each day, he shall take an account of and enter in the proper book the exact amount of money on hand. At the end of every month he shall make out and file with the Mayor and publish quarterly in the official newspaper a statement of the condition of the treasury, showing the amounts of receipts into and payments from the treasury, and on what account, and out of what fund. If he violate any of the provisions of this section, he shall be guilty of misconduct in office, and be liable to removal therefrom, and be proceeded against accordingly. He shall keep the accounts belonging to each fund separate and distinct, and shall in no case pay demands chargeable against one fund out of moneys belonging to another. He shall be in personal attendance at his office each day during office

hours. No fees of any kind shall be retained by him, but the same, from whatever source received or derived, shall be paid by him into the treasury.

All moneys paid into the treasury of the City and County may be deposited by the Treasurer, upon the written consent of the Mayor, in any licensed national bank or banks, within this State, or in any bank, banks or corporations authorized and licensed to do a banking business, and organized under the laws of this State, *provided* that such bank or banks in which such moneys are deposited shall furnish as security for such deposits, bonds of the United States or of this State, or of any County, Municipality or School District within this State, approved by the Treasurer and the City Attorney. The market value of the bonds furnished as security, shall be at least 10 per cent in excess of the amount of the deposit secured thereby; but the amount of the deposit shall in no case exceed the face value of the bonds furnished as security therefor. *And provided* that such bank or banks shall pay a reasonable rate of interest, not less than 2 per cent per annum, on the daily balances therein deposited.

The rate of interest shall be fixed annually as herein provided in the month of January of each year on all deposits to be made for such year; *provided*, that the rate of interest for the year ending December 31st, 1907, may be fixed as herein provided within ten days after this section goes into effect. The rate of interest shall be fixed by the Treasurer, the Auditor and the Mayor, and the same reported in writing to the Board of Supervisors immediately. Said rate of interest shall be a reasonable rate and not less than 2 per cent per annum on the daily balances deposited; and the rate of interest so established for each year as herein provided, shall be the uniform rate of interest required from all banks receiving deposits from the City and County for that year. Interest on all moneys deposited as herein provided for shall belong to the City and County and shall be paid quarterly into the general fund of the City and County except where the law of this Charter otherwise directs.

It shall be the duty of the Treasurer to receive from the bank in which the deposit is made, a receipt or receipts in duplicate, showing the date and amount of deposit and rate of interest to be paid thereon, one copy of which said Treasurer shall keep on file in his office and he shall file one copy with the Auditor.

The Treasurer shall keep a record in his office, which shall be open to public inspection, showing at all times the amount of money on deposit in all banks in which the same is deposited, and dates of deposit; also a record of all banks making application for the deposit of the public funds.

The total amount of public moneys on deposit in any bank shall not at any time exceed 50 per cent of the paid-up capital stock of such depository bank or banks. The Treasurer shall not have

on deposit at any one time more than 10 per cent of the public moneys under his control and available for deposit in any bank while there are other qualified banks requesting such deposits, *provided*, that the Treasurer shall not be required to deposit public moneys in any bank outside of the City and County.

The receipt issued by any bank for deposits made therein, together with the bonds held as security therefor, shall be held by the Treasurer and be recognized and counted as cash to the amount recited in the receipt by the officers required by law to count the same.

Deposits, with interest thereon, shall be subject to withdrawal on demand of the Treasurer, conjointly with that of the Mayor, and any bank receiving the deposit of public moneys, may, at any time, return the same to the Treasurer, together with interest to date of return, and it shall be the duty of the Treasurer, upon receiving the return of such deposit, to immediately return to such bank all bonds held as security for the deposit returned. When the Treasurer withdraws his deposit, he shall return, on the demand of the bank, such bonds as were held as security for the deposit or portion thereof withdrawn.

The members of said Board shall be appointed by the Mayor. Of those first appointed he shall appoint one for one year, one for two years, and one for three years. Each year thereafter he shall appoint for three years one person as the successor of the Commissioner whose term of office expires in that year. All such appointments shall be so made that not more than one member shall at any one time belong to the same political party. No person shall be eligible for appointment as such Commissioner unless he is, and has been for at least five years next preceeding his appointment, an elector of the City and County. Each of said Commissioners shall receive an annual salary of four thousand dollars.

President of the Board. Term.

SEC. 2. Of the Commissioners first appointed under this Charter, one shall be designated by the Mayor to serve as President for one year. All subsequent Presidents of the Board shall be elected by the members thereof for terms to be fixed by said Board. The President of the Board shall in each case hold office until his successor has been elected or until his membership on the Board expires.

Secretary of the Board. Salary. Employees. Compensation.

SEC. 3. The Board may appoint a Secretary who shall receive an annual salary of eighteen hundred dollars. The Board may employ such clerks, superintendents, inspectors, engineers, surveyors, deputies, architects and workmen as shall be necessary to a proper discharge of their duties under this Article, and fix their compensation; but no compensation to any of said persons shall be greater than is paid in the case of similar employments.

Rules and Regulations.

SEC. 4. The Board shall establish all necessary rules and regulations for its government, and for the performance of its duties, and for the regulation and conduct of its officers and employees; and shall require adequate bonds from its officers and employees, except laborers, for the faithful performance of all their duties in such sums as may be fixed by the Supervisors. Said bonds shall be approved by the Mayor and shall be filed in the office of the Auditor.

Meetings. Place and Time.

SEC. 5. The Board shall hold regular meetings at least once each week at a place and time to be fixed by resolution entered on its minutes. No changes in place or time of regular meetings shall be made without a resolution passed at least two weeks before the time the change is to go into effect. Such special meetings may be held as the Commissioners may deem necessary after notice of the same has been posted ten hours before the time of holding any such meeting. All meetings shall be public. No business shall be transacted at an adjourned meeting except such as may have been under, or proposed for, consideration at the meeting from which the adjournment was had. No business shall be transacted at a special meeting except that which is named in the notice of said meeting. Special meetings may be called by any member of the Board. In every case where a power is exercised under this Article by the Board the vote thereon shall be taken by ayes and noes.

Record to Be Kept. Duties of Secretary.

SEC. 6. The Board shall keep and preserve a record of all its proceedings, and copies of all plans, specifications, reports, contracts, estimates, certificates, receipts, surveys, field notes, maps, plats, profiles, and of all papers pertaining to the transactions of the Board. The Secretary of the Board shall keep a record of all its transactions, specifying therein the names of the Commissioners present at all the meetings, and giving the ayes and noes upon all votes. The Secretary shall post and publish all orders, resolutions and notices as required in this Chapter or which the Board shall order to be posted or published. He shall perform such other duties as may from time to time be prescribed by the Board.

Powers and Duties of the Board.

SEC. 7. The Board shall be the successor in office and shall have all the powers and perform all the duties of the Superintendent of Streets, Highways and Squares, of the New City Hall Commissioners, and of the Commissions in existence at the time this Charter goes into effect for the opening, extending, widening, narrowing, straightening, closing or changing the grades of streets in the City and County.

Custodian of All Official Matters Relating to Streets.

SEC. 8. The Board shall immediately after its organization take possession and have the custody and control of all maps, plats, surveys, field notes, records, plans, specifications, reports, contracts, models, machinery, instruments, tools, appliances, contract rights, privileges, books, documents and archives and other property belonging to the City and County, or which may be of value and importance to the City and County, and heretofore kept by or in the offices of the City and County Surveyor, the Superintendent of Public Streets, Highways and Squares, the

Board of New City Hall Commissioners, and all commissions in existence at the time this Charter goes into effect for the opening, extending, widening, narrowing, straightening, closing or changing the grades of streets, and all other business and works pertaining to any of said offices or commissions.

Matters Under Control of the Board.

SEC. 9. The Board of Public Works shall have charge, superintendence and control, under such ordinances as may from time to time be adopted by the Supervisors:

Streets, Pipes, Wires, Sewers, Etc.

1. Of all public ways, streets, avenues, lanes, alleys, places, courts, roads, highways and boulevards now opened or which may hereafter be opened in the City and County; of the manner of their use; and of all work done upon, over or under the same; and herein particularly the Board shall have exclusive authority to prescribe rules and grant permits, in conformity with the ordinances of the Supervisors, for the moving of buildings through the streets thereof, and the building or placing of cellars or vaults under the streets or sidewalks, and of temporary fences enclosing areas upon the sidewalks; the laying down and construction of railroad tracks in the streets: the erection of telegraph and telephone poles, and poles for electric lighting, and the laying under the surface of the streets or sidewalks of telegraph or telephone wires, and wires for electric lighting and power; the construction of drains and sewers; the laying down and taking up of gas, steam and water pipes, pneumatic or other tubes or pipes, and sewers and drains, and determining the location thereof; the using of the street or any portion thereof for the deposit of building material in front of a building during its construction or repair, or for any purpose other than such as ordinarily and properly belongs to the public from the dedication thereof to public use; and without such permission in writing from said Board no person shall do any of the acts in this section enumerated; but nothing in this section shall be so construed as to give said Board the power to grant permits for or allow the permanent encroachment upon any sidewalk of any structure;

Drainage.

2. Of all sewers, drains and cesspools, and of the work pertaining thereto or to the drainage of the City and County;

Cleaning and Sprinkling, and Lighting.

3. Of the cleaning and sprinkling of all public streets, avenues, alleys, places, courts, roads, highways and boulevards, and the lighting of the same and the lighting of the parks, squares and other public places and public buildings;

Public Buildings.

4. Of the cleaning of all the public buildings of the City and County and of the appointment of such janitors and employees as are needed for such purpose;

Building Construction.

5. Of the supervision of any and all building construction in the City and County:

Constructing Public Buildings.

6. Of the construction of any and all public buildings and structures, under plans duly approved by the various departments, including all school houses and fire-department buildings, and the repair and maintenance of any and all buildings and structures owned by the City and County;

Conduits. Garbage. Sewer System.

7. Of any and all wires and conduits, the collection and disposal of street refuse, garbage and sewage, and the designing, construction and maintenance of the sewerage and drainage systems of the City and County;

Public Utilities.

8. Of any and all public utilities owned, controlled or operated by the City and County, or which may hereafter be so owned, controlled or operated.

Proceedings Relative to Excavation of Streets.

9. When at any time any person, company or corporation desires to have opened or torn up the roadway of any street, lane, alley, place or court in the City and County for any purpose, a written application shall be made to the Board of Public Works for permission to do so. The Board shall thereupon make an estimate of the expense of opening or tearing up such street, lane, alley, place or court and of restoring the same to as good a condition as it was in before said opening or tearing up. Such person, company or corporation must thereupon deposit the amount of such estimate with the Board of Public Works which shall thereupon pay the same into the General Fund.

The Board shall thereupon proceed to open or tear up said street, lane, alley, place or court as in said application requested, and shall at the proper time restore such street, lane, alley, place or court to as good a condition as it was in before said opening or tearing up. Contracts for the doing of such work by the Board may be let by it in the manner provided in this Chapter, or the work may, at the option of the Board, be done by days' labor.

If the expense of such work has been more than the aforesaid estimate, the person, company or corporation shall be indebted to the City and County for such balance; and the same shall constitute a lien upon the property of such person, company or corporation. Said lien shall remain in force until such balance has been paid, or until the lien shall be legally discharged. Said lien may be enforced by suit brought by the City and County in accordance with the provisions of the Code of Civil Procedure of the State of California. If the expense of such work has been less than the aforesaid estimate, then the surplus shall constitute

a claim in favor of such person, company or corporation, against the City and County, and as such shall be presented, approved and paid as other claims.

Data for Supervisors.

SEC. 10. All examinations, plans and estimates required by the Supervisors in connection with any public improvements or utilities, shall be made by the Board of Public Works and it shall, when requested to do so, furnish information and data for the use of the Supervisors.

City Engineer and Duties.

SEC. 11. Said Board shall appoint a Civil Engineer of not less than five years' practical experience as such, who shall be designated the City Engineer. He shall hold his office at the pleasure of the Board.

He shall perform all the civil engineering and surveying required in the prosecution of the public works and improvements done under the direction and supervision of said Board, and shall certify to the progress and completion of the same, and do such other surveying or other work as he may be directed to do by said Board or by the Supervisors. He shall possess the same power in the City and County in making surveys, plats and certificates as is or may from time to time be given by law to City Engineers and to County Surveyors, and his official acts and all plats, surveys and certificates made by him shall have the same validity and be of the same force and effect as are or may be given by law to those of City Engineers and County Surveyors. No street assessment shall be valid without his certificate as to the quantities and unless it be to the effect that the work has been done to the official lines, elevations and grades.

City Engineer. Salary and Fees.

SEC. 12. He shall serve the Board exclusively and shall not be engaged in any other business while he is in its service. He shall receive no compensation except his salary. The Board shall by resolution establish fees and charges for the services to be performed by the City Engineer for persons, companies and corporations, and may from time to time change and adjust the same. Said Engineer shall require such fees or charges to be paid in advance for any official act or service demanded of him, and such moneys thus paid shall be paid to the Treasurer and credited by him to such fund or funds as said Board may direct.

Appointees of Board.

SEC. 13. The Board shall appoint the necessary heads of departments under its charge. Each such head shall have the sole executive control in its own department, subject to the rules and regulations prescribed by the Board.

Public Work by Contract.

SEC. 14. All public work authorized by the Supervisors to be done under the supervision of the Board of Public Works shall,

unless otherwise determined by the Board of Public Works, be done under written contract, except in case of urgent necessity as hereinafter provided; and except as otherwise specifically provided in this Charter, the following proceedings shall be taken in all cases in the matter of the letting of contracts by said Board. Before the award of any contract for doing any work authorized by this Article, the Board shall cause notice to be posted conspicuously in its office for not less than five days, and published for the same time, inviting sealed proposals for the work contemplated; except, however, that when any repairs or improvement, not exceeding an estimated cost of five hundred dollars, shall be deemed of urgent necessity by the Board, such repairs or improvement may be made by the Board under written contract or otherwise, without advertising for sealed proposals.

Advertisement for Proposals.

SEC. 15. Said advertisement and notice shall invite sealed proposals to be delivered at a certain day and hour at the office of the Board for furnishing the materials for the proposed work, or for doing said work, or for both, as may be deemed best by the Board, and shall contain a general description of the work to be done, the materials to be furnished, the time within which the work is to be commenced, and when to be completed, and the amount of bond to be given for the faithful performance of the contract, and shall refer to plans and specifications on file in the office of the Board for full details and description of said work and materials.

Requirements for Bids for Public Work.

SEC. 16. All proposals shall be made upon printed forms to be prepared by the Board, and furnished gratuitously upon application, with a form for the affidavit hereinafter provided for printed thereon. Each bid shall have thereon the affidavit of the bidder that such bid is genuine, and not collusive or sham; that he has not colluded, conspired, connived or agreed, directly or indirectly, with any other bidder or person to put in a sham bid, or that such other person shall refrain from bidding; and has not in any manner sought by collusion to secure any advantage against the City and County, or any person interested in said improvement, for himself or any other person. All bids shall be clearly and distinctly written, without any erasure or interlineation, and if any bid shall have an erasure or interlineation it shall not be received or considered by the Board. Any contract made in violation of any of the foregoing provisions, and in the case of improvement of streets, any assessment for the work done under such contract, shall be absolutely void.

All proposals offered shall be accompanied by a check, certified by a responsible bank, payable to the order of the Clerk of the Supervisors, for an amount not less than ten per centum of the

aggregate of the proposal, and no proposal shall be considered unless accompanied by such check.

No person, corporation or firm shall be allowed to make, file, or be interested in, more than one bid for the same work. If on the opening of said bids more than one bid appear in which the same person, corporation or firm is interested, all such bids shall be rejected.

Delivery and Opening of Bids, and Award of Contract.

SEC. 17. On the day and at the hour specified in said notice inviting sealed proposals the Board shall assemble and remain in session for at least one hour, and all bids shall be delivered to the Board while it is so in session, and within the hour named in the advertisement. No bid not so delivered to the Board shall be considered. Each bid as it shall be received shall be numbered and marked "Filed" by the President and authenticated by his signature. At the expiration of the hour stated in the advertisement within which the bids will be received, the Board shall, in open session, open, examine and publicly declare the same, and an abstract of each bid shall be recorded in the minutes of the Board by the Secretary. Before adjourning, the Board shall compare the bids with the record made by the Secretary, and shall thereupon, at said time, or at such other time, not exceeding twenty days thereafter, as the Board may adjourn to, award the contract to the lowest bidder, except as otherwise herein provided. Notice of such award shall forthwith be posted for five days by the Secretary of the Board in some conspicuous place in the office of the Board, and be published for the same period of time.

The Board may reject any and all bids, and must reject the bid of any party who has been delinquent or unfaithful in any former contract with the City and County, and all bids other than the lowest regular bid; and on accepting said lowest bid, shall thereupon return to the proper parties the checks corresponding to the bids so rejected. If all the bids are rejected, the Board shall return all the checks to the proper parties and again invite sealed proposals as in the first instance.

The check accompanying the accepted bid shall be held by the Secretary of the Board until the contract for doing said work, as hereinafter provided, has been entered into, whereupon said certified check shall be returned to said bidder.

If said bidder fails or refuses to enter into the contract to do said work, as hereinafter provided, then the certified check accompanying his bid, and the amount therein mentioned, shall be forfeited to the City and County, and shall be collected and paid into the General Fund. Neither the Board of Public Works nor the Supervisors shall have power to relieve from or remit such forfeiture.

Penalty for Collusion.

SEC. 18. If at any time it shall be found that the person to

whom a contract has been awarded has, in presenting any bid or bids, colluded with any other party or parties, for the purpose of preventing any other bid being made, then the contract so awarded shall be null and void, and the Board shall advertise for a new contract for said work.

Owners of Major Part of Frontage May Do the Work.

SEC. 19. In the case of improvement of streets, the owners of the major part of the frontage of lots and lands upon the street whereon the work is to be done, or which are liable to be assessed for such work, or, in the case of an assessment district, the owners of a major part of the superficial area embraced in such district, or their agents, shall not be required to present sealed proposals, but may, upon making oath that they are such owners, or the agents of such owners, within ten days after the first posting of notice of said award, elect to take said work and enter into a written contract to do the whole work at the price at which the same has been awarded: Should such owners not enter into a written contract therefor within said ten days, or should they enter into such contract and fail to commence the work within the time stated therein, which time shall not be less than ten nor more than twenty days from the time of the execution of such contract, the Board shall enter into a contract with the original bidder to whom the contract was awarded at the price specified in his bid. If the original bidder shall fail or refuse for fifteen days after the first posting of notice of the award to enter into the contract, the Board shall again advertise for proposals as in the first instance.

Failure to Complete Work.

SEC. 20. If the owners or contractor who may have entered into any contract do not complete the same within the time limited in the contract, or within such further time as is hereinafter provided, the Board may relet the unfinished portion of said work in accordance with the provisions in this Chapter prescribed for the letting of the whole.

Contracts by Board of Public Works. Bonds of Contractors. Progressive Payments.

SEC. 21. All contracts shall be drawn under the supervision of the City Attorney, and shall contain detailed specifications of the work to be done, the manner in which it shall be executed, and the quality of the material to be used.

Every contract entered into by the Board shall be signed by all the members thereof, and by the other contracting party. All contracts shall be signed in triplicate, one of which, with the specifications and drawings, if any, of the work to be done, and materials to be furnished, shall be filed with the Clerk of the Supervisors; one thereof, with said specifications and drawings, shall be kept in the office of the Board, and the other, with said specifications and drawings, shall be delivered to the contractor.

At the same time with the execution of the contract, the con-

tractor shall execute to the City and County and deliver to the Secretary of the Board a bond in the sum named in the notice for proposals, with two or more sufficient sureties to be approved by the Board, or shall deposit with the Secretary a certified check upon some solvent bank for said amount, for the faithful performance of the contract. No surety on any bond other than lawfully authorized surety companies shall be taken unless he shall be a payer of taxes on real property, not exempt from execution or subject to homestead claim, the assessed value of which, over and above all incumbrances, is equal in amount to his liabilities on all bonds on which he may be surety to the City and County and each surety shall justify and make an affidavit (for which a form shall be printed upon said bond) signed by him, that he is assessed upon the last assessment book of the City and County in his own name, for real property, in an amount greater than his liability on all bonds on which he is surety to the City and County, and that the taxes on such property so assessed are not delinquent.

The contract shall specify the time within which the work shall be commenced, and when to be completed, as was specified in the notice inviting proposals therefor. Upon the recommendation of the Board, the Supervisors may extend said time, but in no event shall the time for the performance of said contract be extended by the Supervisors more than ninety days beyond the time originally fixed for its completion; but, on the unanimous recommendation of the Board of Public Works, a further extension may be granted by vote of fourteen members of the Board of Supervisors.

In case of failure on the part of the contractor to complete his contract within the time fixed in the contract, or within such extension of said time as is herein provided, his contract shall be void, and the Supervisors shall not thereafter pay or allow to him any further compensation for any work done by him under said contract; and in the case of the improvement of streets, where the work is to be paid for by assessment levied upon real property, no assessment shall be made for the work done under said contract.

Any contract may provide for progressive payments if in the ordinance authorizing or ordering the work permission is given for such a contract. But no progressive payments can be provided for or made at any time which, with prior payments, if there have been such, shall exceed in amount at that time seventy-five per cent of the value of the labor done and materials furnished and used up to that time, and no contract shall provide for or authorize or permit the payment of more than seventy-five per cent of the contract price before the completion and acceptance by the proper officer or board of the work done under said contract.—*As amended November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 35).*

Acceptance of Work.

SEC. 22. The work in this Article provided for must be done under the direction and to the satisfaction of the Board of Public Works; and the materials used must be in accordance with the specifications and be to the satisfaction of said Board, and all contracts provided for in this Article must contain a provision to that effect, and also, that in no case, except where it is otherwise provided in this Charter, will the City and County, or any department or officer thereof, be liable for any portion of the expense, or in the case of improvement of streets, for any delinquency of persons or property assessed.

When said work shall have been completed to the satisfaction and acceptance of the Board, it shall so declare by resolution, and thereupon the Board shall deliver to the contractor a certificate to that effect.

CHAPTER II.

IMPROVEMENT OF STREETS.**Street Improvement. Width and Grade.**

SECTION 1. All streets, lanes, alleys, places or courts, in the City and County, now open or dedicated or which may hereafter be opened or dedicated to public use, shall be deemed and held to be open public streets, lanes, alleys, places or courts, for the purposes of this Chapter: and the Supervisors are hereby empowered to fix the width and grade thereof, and to order to be done therein and thereon any and all street work and street improvement under the proceedings hereinafter described.

Application. Board to Recommend Work. Recommendation of Board to Supervisors.

SEC. 2. Application for the doing of any such work or improvement must in the first instance, except where otherwise provided in this Article, be made in writing to the Board of Public Works by an owner or owners of property liable to be assessed for the same, or by their agents, or by the Board of Health for sanitary reasons, or by the Supervisors, expressed by resolution.

Such application need but in general describe or refer to the work or improvement applied for; and if the expense thereof or any portion of such expense is to be assessed upon private property, the Board of Public Works shall investigate the same, and may modify, amend, alter, or increase the same, as it may deem proper; and if the Board determine that the work or improvement so applied for, or as so modified, amended, altered or increased, is expedient, it shall so report to the Supervisors; the Supervisors shall not order any such improvement until the same has been recommended by said Board. When the construction of any sewer or drain shall involve a cost of more than five dollars per lineal foot for any block, it shall not be authorized except by an

ordinance passed by the affirmative vote of not less than fourteen members of the Board of Supervisors. If an application is made for any work or improvement of which the expense is to be paid by the City and County, and the Board of Public Works shall not approve of such application, it shall report to the Supervisors its reasons for such disapproval, and the Supervisors may then, after having obtained from the Board of Public Works an estimate of the expense of said work or improvement, by ordinance passed by the affirmative vote of not less than fourteen members of the Board of Supervisors, order the doing of said work, or the making of said improvement.

The Board of Public Works may also, except as herein prohibited, recommend any improvement, the expense of which is to be paid by the City and County, though no application may have been made therefor, and must make, with said recommendation to the Supervisors, an estimate of the expense, and in such case the Supervisors may order the same done.

No street work or street improvements of any kind shall be ordered to be done by the Supervisors unless a written recommendation to do the same has been made to them by the Board of Public Works, except in the case herein before provided, and all such recommendations shall be made matters of record in the office of said Board.

When the Board shall recommend any work to be done on a street intersection or crossing, where the streets do not intersect each other at right angles, it shall in each such case determine what lots in the blocks adjacent to such intersection or crossing will be benefited by said work, and shall cause a map to be made on which shall be delineated the lots so to be benefited. Such map shall be transmitted to the Supervisors with said recommendation. —*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes, 1903, page 587).*

Posting and Mailing of Notices.

SEC. 3. Before recommending to the Supervisors the ordering of any work or improvement, the expense of which, or any part thereof, is to be assessed upon private property, the Board of Public Works shall pass a resolution of its intention to recommend the same, specifying the work to be recommended, and shall fix a day when it shall take final action upon said resolution.

Upon the passage thereof the Secretary of the Board shall forthwith, without any further authority, cause a copy of said resolution to be posted conspicuously for five days in the office of said Secretary, and to be published for a period of ten days (legal holidays excepted) and cause a copy to be deposited in the Post Office at the City and County, with postage prepaid, addressed to each person represented on the Assessment Book of the City and County for the next preceding fiscal year as being owner of land

liable to be assessed for said improvement; but if said lot stand on said book in the name of unknown owners, such notice need not be sent.

The Board shall also cause to be conspicuously posted along the line of said contemplated improvement, at points not more than one hundred feet in distance apart, notices not less than three in all, of the passage of said resolution. Each of said notices shall be headed "Notice of Street Work" in letters of not less than two inches in length, and shall in legible characters state the fact of the passage of said resolution, its date, and briefly, the work or improvement proposed, and refer to the resolution of intention for further particulars.

Owners May Make Protest. Proceedings to Be Taken.

SEC. 4. The owners of a majority of the frontage of the property fronting on said proposed work or improvement, where the same is for one block, or more, and, in the case of a district, those owning more than one-half of the superficial area of the district, exclusive of street surface, may make written objections to the same within ten days after the expiration of the time of the publication of said resolution of intention, which objections shall be delivered to the Secretary of the Board of Public Works, who shall indorse thereon the date of their reception by him. Such objections shall delay for six months any further proceedings in relation to the doing of said work or making said improvement, under the said resolution of intention, unless the owners of the one-half or more of the frontage or of the district, as aforesaid, shall meanwhile petition for the same to be done, and thereupon the proceedings shall be continued under the said resolution of intention, if said Board shall deem proper.

If, however, the owners of at least two-thirds of the property fronting on said proposed work or improvement, and, in case of a district, those owning at least two-thirds of the superficial area of the district, exclusive of street surface, shall make written objections to the said proposed work or improvement, after the expiration of the time hereinbefore fixed for making the objections in the first instance to the same (and which objections delayed for six months any further proceedings in relation to the doing of said work or making said improvement under said resolution of intention) and before the expiration of the said six months, no further proceedings shall be taken under the said resolution of intention. But if no such objections have been made, then the Board of Public Works, after the expiration of said six months, shall, if it deem proper, continue the proceedings under the resolution of intention aforesaid, notwithstanding the objections first made, as hereinbefore provided, or any further objections to the doing of said work or making said improvement.

But when the work or improvement proposed to be done is the construction of sewers, manholes, cuiverts, drains, cess-pools,

catch basins or storm water inlets, or of sidewalks, or of curbs, or any work or improvement on a street crossing, or on a street intersection, and written objections thereto have been delivered to the Secretary of the Board of Public Works within the time hereinbefore provided, by the owners of a majority of the frontage or of the district aforesaid, and in case of work or improvement on a street crossing or a street intersection, by the owners of a majority of the street frontage liable to be assessed therefor, the Board shall, at its next meeting, fix a time for hearing said objections, not less than one week thereafter. The Secretary of the Board shall thereupon notify the persons making such objections by depositing a notice thereof in the Postoffice at the City and County, postage prepaid, and addressed to each objector or his agent when he appears for such objector. At the time specified the Board shall hear the objections urged, and pass upon the same, and its decision shall be final and conclusive; and if said objections are overruled the proceedings shall be continued as though no objections had been made.

And when not more than two blocks on a street, including street crossings, remain ungraded to the official grade, or otherwise unimproved, in whole or in part, and a block or more on each side upon such street has been so graded or otherwise improved, or when not more than two blocks at the end of a street remain so ungraded or otherwise unimproved, proceedings for the doing of any work or improvement, upon said intervening ungraded or unimproved part of said street, or at the end of a street, shall not be stayed or prevented by any written or other objections, unless the Board shall deem proper.

And if one-half or more in width or in length, or as to grading, one-half or more of the grading work, of any street lying and being between two successive main street crossings, or if a crossing has been already partially graded or improved, as aforesaid, the Board may proceed as in this Chapter provided, to have the remainder improved, graded, or otherwise, notwithstanding any objections of property owners.

In all cases of work or improvement in this section hereinbefore provided, where the Board of Public Works is vested with power to continue proceedings in relation to any proposed work or improvement, notwithstanding any objections of property owners to the doing of the same, the Board may determine that such work or improvement is expedient, or that the public interest or convenience requires the doing of the same, and it may institute proceedings therefor and the provisions of Section 2 of this Chapter, requiring a written application to the Board in the first instance, to be made therefor, shall not be applicable thereto.

At any time before the making of the assessment as hereinafter provided, all owners of lots of land liable to assessment therein,

who, after the first publication of the aforesaid resolution of intention, may feel aggrieved, or who may have objections to any proceedings in relation to the performance of the work described in said resolution, may file with the Secretary a petition of remonstrance, wherein they shall state in what respect they feel aggrieved, or the proceedings to which they object. Such petition or remonstrance shall be passed upon by the Board, and its decision thereon shall be final and conclusive.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes, 1903, page 588).*

Improvement Chargeable Upon a District. Hearing of Objections.

SEC. 5. When the contemplated work or improvement in the opinion of the Board of Public Works is of more than local or ordinary public benefit, it may recommend to the Supervisors that the expense of such work or improvement be made chargeable upon a district, and said Board shall in its resolution of intention set out the district benefited by said work or improvement and to be assessed to pay the expense thereof. Objections to the extent and boundaries of the district of lands to be benefited by said work or improvement may be made by any interested party, in writing, within ten days after the expiration of the time of publication of the resolution of intention.

The Secretary of the Board shall lay said objections before it and the Board shall, at its next meeting, fix a time for hearing said objections not less than one week thereafter. The Secretary shall thereupon notify the persons making such objections by depositing a notice thereof in the Postoffice at the City and County, postage prepaid, addressed to each objector. At the time specified the Board shall hear the objections urged and pass upon the same, and if said objections are overruled, its decision shall be final and conclusive as to the extent and boundaries of the district.

If the objections are sustained, the Board shall proceed to set out another district to the extent and boundaries of which objections may be made and a hearing had thereon as above provided; and so on in like manner until a district has been set out to the extent and boundaries of which all objections shall be overruled by the Board—its decision in that behalf to be final and conclusive; and thereupon the proceedings shall continue the same as if no objections had been made. In its report to the Supervisors the Board shall accompany its report with a diagram on which shall be delineated each separate lot, piece or parcel of land, the area in square feet of each of such lots, pieces or parcels of land, and the relative location of the same to the work or improvement proposed to be done within the limits of the district. Such diagram shall be certified to be correct by the Secretary of the Board.

Completion of Work.

SEC. 6. When the work under any contract shall have been completed, the contractor shall make and file in the office of the

Board of Public Works an affidavit to the effect that he has not entered into any private agreement, verbal or written, with any person liable to be assessed for said work, or with any one on his behalf, to accept a price from him less than the price named in said contract, or to make any rebate or deduction to him from such price. Any such agreement shall be deemed a fraud upon all persons liable to be assessed for such work other than the property owners who were parties to the agreement, and shall make void, as to such persons so defrauded, any assessment made for the work done under such contract; and where there is more than one contractor each contractor shall make such affidavit.

Completion of Contract. Assessment to Pay for Same.

SEC. 7. When any work in or upon any public street shall have been completed according to contract, and the affidavit mentioned in the next preceding section shall have been made, the Board shall make an assessment to cover the sum due for the work performed and specified in said contract (including all incidental expenses), in conformity with the provisions of this Article, according to the nature and character of the work. The assessment shall briefly refer to the contract, the work contracted for and performed, and shall show the amount to be paid therefor, together with any incidental expenses, the rate per front foot assessed, the amount of each assessment, the name of the owner of each lot (if known to the Board, and if not known, the word "*unknown*" shall be written opposite the number of the lot and the amount assessed thereon); the number of each lot assessed, and shall have attached thereto a diagram exhibiting the street or street crossing on which the work has been done, and showing the relative location of each distinct lot to the work done, numbered to correspond with the numbers in the assessment, and showing the number of front feet assessed for said work. A mistake in the name of the owner shall not invalidate any assessment.

When the expense of such work falls in part upon any person, company or corporation having railroad tracks upon the street where such work has been done, said assessment shall include an assessment against said person, company or corporation, for its legal proportion of said expense, and the same shall constitute a lien upon the road-bed, rolling stock, franchises and other property of such person, company or corporation, for a period of two years from the date of recording the warrant, assessment and diagram hereinafter provided for.

Division of Expense. Sewers, Grading, Paving, Assessed to Adjacent Blocks or District. Railroads Must Bear Proportion.

SEC. 8. The expense of all work or improvement done upon any part of said streets, lanes, alleys, places or courts, under the order of the Supervisors, shall be borne and paid for as follows:

First—The City and County shall pay out of the General Fund the expense:

a. Of all work done on streets, crossings and intersections of streets that have been or may be accepted by the City and County, after the acceptance of the same, and all repairs and improvements deemed of urgent necessity that may be made upon the public streets and highways.

b. Of all work done in front of, or that may be assessed to, property owned by the City and County or by any department thereof.

c. Of all work done in front of, or that may be assessed to, property owned by the United States.

Second—The expense of all sewers, cesspools, manholes, culverts and drains, and of all grading, planking, macadamizing, paving, piling and capping any street, or portion thereof, and of all curbs thereon, and of all work done on sidewalks, shall be assessed upon the lands within the block or blocks adjacent thereto as herein provided, except where by an assessment district it may be provided otherwise.

Third—The expense of all work on such portion of any street required by law to be kept in order by any person, company, or corporation, having railroad tracks thereon, shall be borne and paid for by such person, company or corporation, and shall be included in the assessment hereinbefore provided for.

No assessment shall be levied upon any property, which, together with all assessments for street improvements that may have been levied upon the same property during the year next preceding, will amount to a sum greater than fifty per centum of the value at which said property was assessed upon the last preceding Assessment Book of the City and County.

How Assessments for Street Work Shall Be Levied.

SEC. 9 *Subdivision One*—Except where the expense incurred for the street work and improvement authorized herein is to be assessed upon a district as hereinafter provided, such expense, other than that to be paid by a person, company or corporation having tracks on the street where such work and improvement has been done, shall be assessed upon the lots and lands fronting thereon, except as hereinafter specifically provided; each lot or portion of a lot being separately assessed in proportion to the frontage at a rate per front foot sufficient to cover the total expense of the work.

Assessment According to Nature of Work.

Subdivision Two—The expense of all improvement except such as is done by contractors under the provisions of Section 16 of this Chapter, until the streets, avenues, street crossings, lanes, alleys, places, or courts are finally accepted, as provided in Section 23 of this Chapter, shall be assessed upon the lots and lands as provided in this section according to the nature and character of the work.

Work on Main Street Crossings.

Subdivision Three—The expense of the work done on main street crossings shall be assessed at a uniform rate per front foot on the quarter blocks and irregular blocks adjoining and cornering upon the crossings, and separately upon the whole of each lot or portion of a lot having any frontage in the said blocks fronting on said main streets, half way to the next main street crossing, and all the way on said blocks to a boundary line of the city where no such crossing intervenes, but only according to its frontage in said quarter blocks and irregular blocks.

Main Street Terminating in Another Main Street.

Subdivision Four—Where a main street terminates in another main street, the expense of the work done on one-half of the width of the street opposite the termination shall be assessed upon the lots in each of the two quarter blocks adjoining and cornering on the same, according to the frontage of such lots on said main street, and the expense of the other half of the width of said street upon the lot or lots fronting on the latter half of the street at such termination.

Alley Crossing Main Street.

Subdivision Five—Where any alley or subdivision street crosses a main street, the expense of all work done on said crossing shall be assessed on all lots or portions of lots half way on said alley or subdivision street to the next crossing or intersection, or to the end of such alley or subdivision street if it does not meet another.

Alley Crossings.

Subdivision Six—The expense of work done on alley or subdivision street crossings shall be assessed upon the lots fronting upon such alley or subdivision streets on each side thereof, in all directions, half way to the next street, place or court, on either side, respectively, or to the end of such alley or subdivision street, if it does not meet another.

Alley Terminating in Another Street.

Subdivision Seven—Where a subdivision street, avenue, lane, alley, or place or court, terminates in another street, avenue, lane, alley, place, or court, the expense of the work done on one-half the width of the subdivision street, avenue, alley, place, or court opposite the termination, shall be assessed upon the lot or lots fronting on such subdivision street or avenue, lane, alley, place, or court so terminating, according to its frontage thereon, half-way on each side, respectively, to the next street, avenue, lane, alley, court, or place, or the end of such street, avenue, lane, alley, place, or court, if it does not meet another, and the other one-half of the width upon the lots fronting such termination.

Work to Complete Unimproved Portion of Street.

Subdivision Eight—Where any work mentioned in this Chapter, manholes, cesspools, culverts, crosswalks, piling and capping excepted, is done on either or both sides of the center line of any

street for one block or less, and further work opposite to the work of the same class already done is ordered to be done to complete the unimproved portion of said street, the assessment to cover the total expense of said work so ordered shall be made upon the lots or portions of the lots only fronting the portions of the work so ordered. When sewerage or resewering is ordered to be done under the sidewalk or only on one side of street for any length thereof, the assessment for its expense shall be made only upon the lots and lands fronting nearest upon that side, and for intervening intersections only upon the two quarter blocks adjoining and cornering upon that side.

Owners May Do the Grading in Front of Their Lots.

Subdivision Nine—Any owner or owners of lots or lands fronting upon any street, the width and grade of which have been established by the Supervisors, may perform at his or their own expense (after obtaining permission from the Board of Public Works so to do, but before said Board has passed its resolution of intention to recommend grading inclusive of this) any grading upon said street, to its full width, or to the center line thereof, and to its grade as then established, and thereupon may procure, at his or their own expense, a certificate from the City Engineer setting forth the number of cubic yards of cutting and filling made by him or them in said grading, and the proportions performed by each owner, and that the same is done to the established width and grade of said street, or to the center line thereof, and thereafter may file said certificate in the office of the Board. Said certificate shall be recorded in a properly indexed book kept for that purpose in the office of the Board. Whenever thereafter the Supervisors order the grading of said street, or any portion thereof, on which any grading certified as aforesaid has been done, the bids and contract must express the price by the cubic yard for cutting and filling in grading, and such owner or owners, and his or their successors in interest, shall be entitled to credit on the assessment upon his or their lots and lands fronting on said street for grading thereof, to the amount of the cubic yards of cutting and filling set forth in his or their said certificate, at the prices named in the contract for said cutting and filling; or, if the grade meanwhile has been legally changed, only for so much of said certified work as would be required for grading to the grade as changed. Such owner or owners shall not be entitled to any credit that may be in excess of the assessments for grading upon the lots and lands owned by him or them, and proportionately assessed for the whole of said grading. The Board shall include in the assessment for the whole of said grading upon the same grade the number of cubic yards of cutting and filling set forth in any and all certificates so recorded in his office, or for the whole of said grading to the changed grade so much of said

certified work as would be required for grading thereto, and shall enter corresponding credits, deducting the same as payments upon the amounts assessed against the lots and lands owned respectively by said certified owners and their successors in interest; but he shall not include any grading quantities or credit any sums in excess of the proportionate assessments for the whole of the grading which are made upon any lots and lands fronting upon said street and belonging to any such certified owners or their successors in interest. When any owner or owners of any lots and lands fronting on any street shall have heretofore done, or shall hereafter do any work, except grading, on such street, in front of any block, at his or their own expense, and the Supervisors shall subsequently order any work to be done of the same class in front of the same block, the work so done at the expense of such owner or owners shall be excepted from the order ordering work to be done, as provided in subdivision ten of this section; but the work so done at the expense of such owner or owners shall be upon the official grade, and in condition satisfactory to the Board of Public Works at the time said order is passed.

Resolution of Intention.

Subdivision Ten—The Board of Public Works may include in the resolution of intention any of the different kinds of work mentioned in this Chapter, and it may except therefrom any of said work already done upon the street to the official grade. The lots and portions of lots fronting upon said accepted work already done shall not be included in the frontage assessment for the class of work from which the exception is made; but this shall not be construed so as to affect the special provisions as to grading contained in subdivision nine of this section.

Estimate and Assessment Upon Completion of Contract.

Subdivision Eleven—When the resolution of intention declares that the expense of the work and improvement is to be assessed upon a district, immediately after the contractor has fulfilled his contract to the satisfaction of the Board of Public Works, or to the satisfaction of the Supervisors on appeal, the Board of Public Works shall proceed to estimate upon the lands, lots, or portions of lots within said assessment district, as shown by the diagram provided for in section five of this Chapter, the benefits arising from such work, and to be received by each such lot, portion of such lot, piece or subdivision of land, and shall thereupon assess upon and against said lands in said assessment district the total amount of the expense of such proposed work, and in so doing shall assess said total sum upon the several pieces, parcels, lots, or portions of lots, and subdivisions of land in said district benefited thereby, to wit: Upon each respectively in proportion to the estimated benefits to be received by each of said several lots, portions of lots, or subdivisions of land. In other respects the assessment shall be as provided in this Chapter.

Board May Establish Method of Assessment.

SEC. 10. If at any time there shall be any street work or improvement done, and none of the methods hereinbefore provided are legally sufficient to authorize the Board of Public Works to make an assessment to pay for the expense thereof, then said Board shall, before it passes a resolution of its intention to recommend the ordering of said work or improvement, establish by resolution a method by means of which such assessment shall be made; and on the completion of the work or improvement to the satisfaction of said Board, or to the satisfaction of the Supervisors on appeal, said Board shall make an assessment to pay the expense thereof according to the method established by said resolution.

Assessments Authenticated.

SEC. 11. In making all assessments the Board of Public Works shall act as a Board, and the assessment shall be authenticated by the signatures of all the members thereof.

Warrant Attached to Assessment. Form of Warrant for Street Work.

SEC. 12. To said assessment shall be attached a warrant which shall be signed by the President of the Board of Public Works and countersigned by the Secretary thereof. Said warrant shall be substantially in the following form:

By virtue hereof the Board of Public Works of the City and County of San Francisco, by the authority vested in it, does authorize and empower (name of contractor) his (or their) agents, or assigns, to demand and receive the several assessments upon the assessment and diagram hereto attached, and this shall be his (or their) warrant for the same.

(Date)———. (Name of President of Board of Public Works).

Countersigned by (Name of Secretary of Board of Public Works).

Said warrant, assessment and diagram shall be recorded in the office of the Board. When so recorded the several amounts assessed shall be a lien upon the lands, lots, or portions of lots assessed, respectively for the period of two years from the date of said recording, unless sooner discharged; and from and after the date of said recording of any warrant, assessment and diagram, all persons interested in said assessment shall be deemed to have notice of the contents of the record thereof.

After said warrant, assessment and diagram are recorded, the same shall be delivered to the contractor, or his agent or assigns, on demand, but not until after the payment to the Board of the incidental expenses not previously paid by the contractor or his assigns. By virtue of said warrant said contractor, or his agents or assigns, shall be authorized to demand and receive the amount of the several assessments made to cover the sum due for the work specified in such contracts and assessments.

When it shall appear by the final judgment of any court in this

State having jurisdiction to render such judgment, that any suit brought to foreclose the lien of any assessment for street work made under this Chapter, or in the recording thereof, has been defeated by reason of any defect, error, informality, omission, irregularity, or illegality, thereof or therein, or in the return on the warrant issued pursuant to any such assessment, or in the recording of any such warrant, any person interested therein may, at any time within seven months after the entry of said final judgment, apply to the Board for another assessment to be issued in conformity to law; and the Board shall, within sixty days after the time of said application, make and deliver to said applicant a new assessment, diagram and warrant in accordance with law, and sign, record and authenticate the same as above provided. Such assessment shall be a lien upon the lots of land set out therein for the period of two years from the date of its recording, and suit may be brought to enforce said lien as provided in this Chapter. Should such final judgment be that of the Superior Court for the City and County and an appeal therefrom to the Supreme Court of the State has been taken, no such other assessment shall be made until said appeal has been determined.

How Assessments Are Paid.

SEC. 13. The contractor or his assigns, or some person on his or their behalf, shall call upon the persons assessed, or their agents, if they can conveniently be found, and demand payment of the amount assessed to each. If any payment be made, the contractor, his assigns, or some person on his or their behalf, shall receipt the same upon the assessment in the presence of the person making such payment, and shall also give a receipt if demanded. When the persons so assessed, or their agents, cannot conveniently be found, or when the owner of the lot is stated as "unknown" upon the assessment, then said contractor or his assigns, or some person on his or their behalf, shall publicly demand payment on the premises assessed.

The warrant shall be returned to the Board of Public Works within thirty days after its date with a return indorsed thereon, signed by the contractor or his assigns, or some person on his or their behalf, verified upon oath, stating the nature and character of the demand, and whether any of the assessments remain unpaid in whole or in part, and the amount thereof. Thereupon the Secretary of the Board shall record the return so made in the margin of the record of the warrant and assessment.

The Board can at any time receive the amount due upon any assessment and warrant issued by it and give a good and sufficient discharge therefor; but no such payment so made after suit has been commenced shall operate, without the consent of the plaintiff in the action, as a complete discharge of the lien until the costs in the action shall be refunded to the plaintiff.

The Board may release any assessment upon the books of its office on the payment to it of the amount of the assessment, with interest, against any lot, or on the production to it of the receipt of the party or his assigns to whom the assessment and warrant were issued. If any contractor shall fail to return his warrant within the time and in the form provided in this section he shall thenceforth have no lien upon the property assessed; but if any warrant is lost, upon proof of such loss, a duplicate may be issued, upon which a return may be made with the same effect as if the original had been so returned. After the return of the assessment and warrant as aforesaid, all amounts remaining due thereon shall draw interest at the rate of seven per centum per annum until paid.

Appeal to Supervisors From Decision of Board, and Proceedings Thereon.

SEC. 14. The owners, whether named in the assessment or not, the contractor or his assigns, and all other persons directly interested in any work provided for in this Chapter, or in the assessment, feeling aggrieved by any act or determination of the Board of Public Works in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or having or making any objection to the correctness or legality of the assessment or other act, determination, or proceedings of the Board, shall, within thirty days after the date of the warrant, appeal to the Supervisors, by briefly stating their objections in writing and filing the same with the Clerk of the Supervisors. Notice of the time and place of the hearing, briefly referring to the work contracted to be done, or other subject of appeal, and to the acts, determinations or proceedings objected to or complained of, shall be published for five days. Upon such appeal the Supervisors may remedy and correct any error or informality in the proceedings, and revise and correct any of the acts or determinations of the Board relative to said work, may confirm, amend, set aside, alter, modify or correct the assessment in such manner as to them shall seem just; and require the work to be completed according to the directions of the Supervisors, and may at their option direct the Board of Public Works to correct the warrant, assessment or diagram in any particular, or to make and issue a new warrant, assessment and diagram to conform to the decisions of the Supervisors in relation thereto.

All the decisions and determinations of the Supervisors, upon notice and hearing as aforesaid, shall be final and conclusive upon all persons entitled to appeal under the provisions of this section, as to all errors, informalities and irregularities, which the Supervisors might have remedied and avoided; and no assessment shall be held invalid, except upon appeal to the Supervisors, as provided in this section, for any error, informality or other defect in the proceedings prior to the assessment, or in the assessment

itself, where the Board of Public Works has acquired jurisdiction to make the same.

Assessments Collected by Suit.

SEC. 15. At any time after the period of thirty-five days from the day of the date of the warrant, or if an appeal has been taken to the Supervisors, then, at any time after five days from the decision of the Supervisors on such appeal, or after the return on the warrant, after the same may have been corrected, altered or modified, as herein provided, but not less than within thirty-five days from the date of the warrant, the contractor or his assignee may sue in his own name the owner or the mortgagee of the land, lots, or portions of lots assessed on the day of the date of the recording of the warrant, assessment and diagram, or any day thereafter during the continuance of the lien of said assessment, and recover the amount of any assessment remaining unpaid, with interest thereon at the rate of seven per centum per annum until paid.

In all cases of recovery under the provisions of this Chapter the plaintiff shall recover the sum of fifteen dollars in addition to the taxable costs, as attorney's fees, but not any percentage upon said recovery. When suit has been brought, after a personal demand has been made and a refusal to pay such assessment so demanded, the plaintiff shall also be entitled to have and recover said sum of fifteen dollars as attorney's fees in addition to all taxable costs, notwithstanding that the suit may be settled or a tender be made before a recovery in said action, and he may have judgment therefor.

Said warrant, assessment and diagram, with the affidavit of demand and non-payment, shall be held prima facie evidence of the regularity and correctness of the assessment and of the prior proceedings and acts of the Board of Public Works and of the Supervisors upon which said warrant, assessment and diagram are based, and like evidence of the right of the plaintiff to recover in the action. The Court in which said suit shall be commenced shall have power to adjudge and decree a lien against the lots of land assessed, and to order such premises to be sold on execution as in other cases of the sale of real estate by the process of said Courts. In all actions brought to enforce the lien of assessments made pursuant to the provisions of this Chapter the proceedings therein shall be governed and regulated by the provisions of this Chapter, and when not in conflict herewith, by the Codes of this State.

Repairs to Streets Not Yet Accepted Must Be Done by Owners; If Not Done, Board May Do So. Bids for Repairs. Owners Liable for Amount. Certificate of the Board Upon Completion.

SEC. 16. When any portion of the roadway of any improved street, avenue, lane, alley, court or place, or any portion of any sidewalk, in the City and County, none of which has been accept-

ed by the Supervisors as in this Chapter provided, shall be so out of repair as to endanger persons or property passing thereon, or so as to interfere with the public convenience in the use thereof, the Board of Public Works shall require the owners or occupants of lots or portions of lots fronting on said portion of said street, avenue, alley, lane, court or place, or fronting on such portion of said sidewalk so out of repair as aforesaid, by a notice in writing, to be delivered to them or their agents, to repair forthwith said portion of said street, avenue, lane, alley, court or place, to the center line thereof, or said portion of said sidewalk, in front of the property of which he is the owner, or tenant, or occupant. The Board shall particularly specify in said notice what work is required to be done and what material shall be used in said repairs. If said repairs be not begun within five days after notice given as aforesaid, and diligently and without interruption prosecuted to completion, the Board may make such repairs, or enter into a contract with any suitable person, at the expense of the owner, tenant, or occupant, after the specifications for the doing of said work shall have been conspicuously posted by it in its office for three days, inviting bids for the doing of said work. Said bids shall be delivered to it at its office on or before the second day after the completion of said posting, and opened by it on the next day following; whereupon the contract shall be awarded to the lowest responsible bidder.

All of said bids shall be preserved in the office of the Board, and shall be open at all times after the letting of the contract to the inspection of all persons; and such owner, tenant, or occupant, shall be liable to pay said contract price. Such work shall be commenced within twenty-four hours after the contract shall have been signed, and completed without delay to the satisfaction of the Board. Upon the completion of such repairs by the contractor as aforesaid to the satisfaction of the Board, it shall make and deliver to the contractor a certificate to the effect that such repairs have been properly made by said contractor to the grade, and that the charges for the same are reasonable and just, and that the Board of Public Works has accepted the same.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 589).*

Contractor May Sue for Amount Due on Repairs.

SEC. 17. If the expense of the work and material for the repairs provided for in the last preceding section be not paid on demand to the contractor so employed, or his agent or assignee, said contractor, or his assignee, shall have the right to sue such owner, tenant, or occupant for the amount contracted to be paid; and the certificate provided for in said section shall be prima facie evidence of the amount claimed for said work and materials, and of the right of the contractor to recover for the same

in such action. Said certificate shall be recorded by the Board of Public Works in a book kept by it in the office for that purpose, properly indexed, and the sum contracted to be paid shall be a lien as in case of other assessments provided for in this Chapter.

Supervisors May Prescribe Further Penalties.

SEC. 18. In addition to the remedies above given the Supervisors may prescribe the penalties that shall be incurred by any owner or person neglecting or refusing to make repairs when required, as hereinbefore provided. Such penalties shall be enforced for the use of the City and County by prosecution in the name of the People of the State of California in the Court having jurisdiction thereof, and may be applied in the case of fines, to the payment of expense of any such repairs not otherwise provided for.

“Owner” of Property Defined.

SEC. 19. The person owning the fee, or the mortgagee of such fee, or the person who, on the day the action is commenced, appears by deed duly recorded in the County Recorder's office of the City and County, to have the legal title to the land, or the person in possession of lands, lots, portion of lots or buildings under claim, or exercising acts of ownership over the same for himself, or as executor, administrator or guardian of the owner, shall be regarded, treated and deemed to be the “owner” for all the purposes of this Chapter. And in case of property leased, the possession of the tenant or lessee holding and occupying under such persons shall be deemed to be the possession of such owner.

Lessee May Deduct Payment From Rent.

SEC. 20. Any tenant or lessee of any lot of land on which has been imposed an assessment under the provisions of this Chapter may pay said assessment. or he may discharge any liability imposed thereon by virtue of the provisions of this Chapter, or he may redeem the property within the time prescribed by law, if legally sold on execution, and may deduct the amount so paid from the rents due and to become due from him; and he shall have a lien upon, and may retain possession of, said lots until the amount so paid and advanced, with legal interest thereon, be satisfied from accruing rents or by payment by the owner.

Records of Board Open to Inspection.

SEC. 21. The records kept by the Board of Public Works shall have the same force and effect as other public records, and duly certified copies therefrom may be used in evidence with the same effect as the originals. Said records shall, during all office hours, be open, free of charge, to the inspection of any citizen wishing to examine them.

Service of Notices.

SEC. 22. Notices in writing required to be given by the Board may be served by any person over the age of twenty-one years,

and the fact of such service may be verified by the oath of the person making it. Such oath may be taken before the Secretary of said Board or before any member thereof.

Accepted Streets. City to Keep in Repair.

SEC. 23. When any street or portion of a street has been or shall hereafter be fully constructed to the satisfaction of the Board of Public Works and of the Supervisors, and is in good condition throughout, and a sewer, gas pipes, and water pipes are properly laid therein, the same shall be accepted by the Supervisors by ordinance; and thereafter such street or portion of a street shall be kept in repair and improved by the City and County. The Supervisors shall not accept any portion of a street less than the entire width of the roadway, including the curbing, and one block in length, or one entire crossing; but they may partly or conditionally accept any street, without a sewer, or gas pipes or water pipes therein, if the ordinance of acceptance expressly states that they deem such sewer, or gas pipes, or water pipes to be then unnecessary. In such case the lots of land previously or at any time assessable for the cost of constructing a sewer shall remain and be assessable for such cost and for the cost of repairs and restoration of the street damaged in said construction, whenever the Supervisors shall deem a sewer to be necessary and shall order it to be constructed. The Board of Public Works shall keep in its office a register of all streets accepted by the Supervisors under this section, which register shall be indexed for easy reference thereto.

Procedure for Paving Railroad Tracks.

SEC. 24. The Board of Public Works may at any time, without any application therefor, recommend to the Supervisors to order the paving or macadamizing of the portion of any street required by law to be paved or macadamized by the person, company or corporation having railroad tracks thereon. Upon such recommendation the Supervisors shall by ordinance order said work to be done and direct said Board to notify said person, company, or corporation of the fact of the passage of such ordinance.

The Secretary of said Board shall thereupon forthwith in writing notify said person, company or corporation of the passage of said ordinance; and if said person, company or corporation shall not within ten days after receiving said notice commence in good faith to do said work and prosecute the same diligently to completion, the Board shall invite sealed proposals for doing said work in the manner provided in this Article; and all the provisions of this Article in regard to such proposals, to the awarding of contracts, to the execution of contracts, and to the doing of public work, shall apply to all similar proceedings taken under this section. On the completion of the work to the satisfaction of the Board the contractor shall be entitled to recover from such person, company or corporation the contract price for

the expense of said work, together with incidental expenses, in an action instituted in a Court of competent jurisdiction. On the trial of such action, the certificate of the Board of the completion of said work to its satisfaction shall be prima facie evidence of the regularity of all the proceedings prior thereto and of plaintiff's right to recover in said action.

Full Width of Street.

SEC. 25. Except as otherwise in this Chapter specifically provided, no ordinance for the improvement of any street other than for sewers, sidewalks and curbs, except for the improvement of the streets constituting or lying along the water front of the City and County, and except for such work as is provided for in the next preceding section, shall be passed by the Supervisors without extending said improvement throughout the whole width of such street.

Definition of Terms. Use of Patented Pavements.

SEC. 26. Wherever in this Article the word "street" occurs, it shall be held to include all streets, lanes, alleys, places and courts which have been, or may be hereafter dedicated and open to public use, and whose grade and width have been legally established; and the grade of all intermediate or intersecting streets in any one block shall be deemed to conform to the grades as established at the crossings of the main streets.

The word "improvement" shall be held to include grading, paving, planking, macadamizing, piling and capping; and the construction and repairs of sewers, cess-pools, manholes, culverts, drains, sidewalks and curbs.

The term "main street" shall mean such street or streets as bound a block, and the term "street" shall include crossing.

The word "block" shall mean the blocks known or designated as such upon the maps and books of the Assessor.

The term "quarter block," as used in this Chapter as to irregular blocks, shall be deemed to include all lots or portions of lots, having any frontage on either intersecting street half way from such intersection to the next main street, or, when no main street intervenes, all the way to a boundary line of the City and County.

The word "paved" shall include any pavement of stone, iron, wood, or other material which the Supervisors may by ordinance order to be used; but no patented pavement shall be ordered during the existence of the patent therefor, until the owner of such patent shall have transferred to the City and County all right to the use of the same therein, with the privilege to any person to manufacture and lay the same upon its streets under any contract that may be awarded to him, or entered into by him with the City and County.

The term "expense" shall include the price at which the contract was awarded, and the term "incidental expenses" shall in-

clude all expenses incurred in printing and advertising the work contracted for, and all expenses for surveying, measuring and inspecting the work.

All notices and resolutions required in this Article to be published shall be published daily, legal holidays excepted, in the official newspaper.

All notices herein required to be served, whether by delivery, mailing or posting, may be so served by any male citizen of the age of twenty-one years, and his affidavit thereof shall be prima facie evidence of such service. The affidavit by the publisher of the official newspaper, or his clerk, of the publication of any notice required in this Article to be published, shall be prima facie evidence of such publication.

Procedure Relating to Closing of Streets.

SEC. 27. When the owners of all the lands fronting upon any street which is less than forty feet in width, for the entire distance of said street, or for the distance of one or more entire blocks, shall petition the Board of Public Works that the said street, or that portion thereof upon which said lands front, be closed, the Board may pass a resolution recommending that the same be closed. Before passing such resolution the Board shall cause a notice of the application to be published in the official newspaper, and shall fix a time and place at which it will consider the same and hear objections thereto. Upon such hearing it shall determine whether it will recommend that the street be closed; and if it shall so determine, it shall transmit such recommendation to the Supervisors. Thereupon the Supervisors may pass an ordinance that the street be closed; and the same shall not thereafter be, or be deemed to be, a public street, or subject to any public expense or improvement; and the land theretofore included within the roadway and sidewalks of said street shall thereafter be the property of the City and County. No such ordinance shall be passed until the petitioners shall have paid all the expenses of said proceedings.

New Streets and Subdivisions.

SEC. 28. In all cases where lands in the City and County shall be hereafter sub-divided and laid out into blocks or plats, sublots, streets and alleys, or when new streets or public grounds shall be laid out, opened, donated or granted to the public by any proprietor, the map or plat thereof shall be submitted to the Board of Public Works for its approval, and if the Board approve the same, such approval shall be by it indorsed upon the said map or plat, and said map with said approval shall then be filed in the office of the Recorder; and without such approval indorsed thereon no such map or plat shall be filed in the office of the Recorder, or have any validity; nor shall any street, alley, or public ground hereafter opened and dedicated as such, become or be a public street or be subject to any public improvement or expense

without such approval, indorsement and record. No street hereafter laid out shall be approved or become a public street unless the same shall be at least forty feet in width and two hundred feet distant from any parallel street.

Cleaning and Sprinkling of Streets. Districts.

SEC. 29. The Board shall cause the public streets to be properly cleaned and sprinkled and for that purpose may employ such laborers and other employees as may be necessary, and may, with the consent of the Supervisors, expressed by ordinance, purchase teams, machinery, materials and other appliances as may be deemed necessary for said work; but the Board must give the preference to hand sweeping so far as it can do so with reference to the proper sweeping of the streets and the funds at its disposal.

The Board may, if the public interest will be subserved, cause the cleaning and sprinkling of the public streets to be performed, either in whole or in part, by public contract. In such case the Board shall divide the city, or such portions of the city as it shall determine to have cleaned or sprinkled by public contract, into such number of districts as in its judgment will best induce competition for bids, and secure the cleaning or sprinkling of such streets at the lowest cost.

The Secretary of the Board shall, under its direction, cause to be published for a period of ten (10) days a notice inviting proposals for cleaning or sprinkling each of said districts in accordance with the specifications on file at the office of the Board. Bids shall be made for each district separately. All the provisions of this Article in relation to the making and opening of bids, awarding of contracts and entering into and performance of contracts shall be applicable to said contracts.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes, 1903, page 590).*

Urgent Repairs.

SEC. 30. The Board shall cause to be made all urgent repairs upon the public streets that may from time to time be requisite for the public safety, and for that purpose may employ such laborers as may be necessary, and at such wages as may be from time to time fixed by the Board; but when the expense of the repairs upon any street or portion of a street shall exceed the sum of five hundred dollars, exclusive of materials to be furnished from the Corporation Store Yard, the same shall be done under contract awarded in the manner provided in this Article.

Contracts for Materials.

SEC. 31. The Board shall, from time to time, after it shall have been directed so to do by the Supervisors by ordinance, invite proposals for supplying to the City and County such materials as may be required for the repair of the public streets or for any improvement thereof, and such proceedings shall be had in award-

ing the contracts therefor as are in this Article provided for awarding other contracts.

Corporation Store Yard. Storekeeper. Duties.

SEC. 32. The Supervisors shall select some place in the City and County which shall be known as the Corporation Store Yard, wherein shall be kept all supplies, material, implements and machines belonging to the City and County, to be used in repairing or cleaning and sprinkling the streets or for any improvement thereon. The Board of Public Works shall appoint a Storekeeper for said Yard who shall hold his office during its pleasure. He shall have the custody of said Yard and of all the supplies, material and implements therein, and shall keep books of account in which shall be kept a systematic account of all purchases, and of the receipt of supplies and material under any contracts awarded under the provisions of the preceding section, and of the delivery thereof, which books shall at all times show the amount of said material and supplies on hand and in store, and when, to whom, and for what purpose each article was delivered. He shall be responsible for all material and supplies in said Yard, and shall not deliver any article except upon the written order or requisition of the President and Secretary of the Board of Public Works, and he shall take the written receipt, indorsed upon said order, of each person to whom any delivery is made, specifying the date of such delivery and the amount and kind of material and supplies delivered. For any deficiency in his accounts or for the delivery of any article without such order or requisition and receipt, he shall be liable upon his official bond. All cobble stones, or stone blocks or other material with which any street or portion of a street may have been paved or planked shall, if at any time removed from said street, be taken to said Yard, and there kept, accounted for and disposed of by the Storekeeper in the same manner as other supplies.

CHAPTER III.

**OPENING, EXTENDING, WIDENING, STRAIGHTENING OR CLOSING
UP OF STREETS AND THE CONDEMNATION AND ACQUISITION
OF LAND AND PROPERTY NECESSARY THEREFOR AND
THE PERFORMANCE OF STREET WORK IN
CONNECTION THEREWITH.**

Power of Supervisors to Open, Etc., Streets.

SECTION 1. Whenever the public interest or convenience may require, the Supervisors shall have full power and authority to order the opening, extending, widening, straightening or closing up, in whole or in part, of any street, avenue, lane, alley, court, or place within the City and County and to condemn and acquire any and all land and property necessary and convenient for that purpose.

Resolution of Intention. Cost of Work; How May Be Paid.

SEC. 2. Before ordering any work to be done or improvement made, which is authorized by the preceding section, the Supervisors shall pass a resolution declaring their intention so to do, describing the work or improvement, and the land deemed necessary to be taken therefor, and specifying the exterior boundaries of the district of lands to be affected or benefited by said work or improvement, and to be assessed to pay the damages, costs and expenses thereof.

The Supervisors may, in and by said resolution, declare and determine that the whole cost and expense of such work or improvement, or any proportion thereof, shall be paid out of the revenues of the City and County.

Posting of Notices.

SEC. 3. The Clerk of the Supervisors shall transmit to the Board of Public Works a certified copy of such resolution, and upon receipt thereof said Board of Public Works shall cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of said resolution. Said notice shall be headed "Notice of Public Work" in letters not less than one inch in length, shall be in legible characters, state the fact of the passage of the resolution, its date, and briefly the work of improvement proposed, and refer to the resolution for further particulars. Said Board shall also cause a notice, similar in substance, to be published for a period of ten days in the official newspaper.

Objections and Hearing Thereof.

SEC. 4. Any person interested objecting to said work or improvement, or to the extent of the district or lands to be affected or benefited by said work or improvement, and to be assessed to pay the cost and expenses thereof, may make written objections to the same within ten days after the expiration of the time of the publication of said notice, which objection shall be delivered to the Clerk of the Supervisors, who shall endorse thereon the date of its reception by him, and at the next meeting of the Supervisors after the expiration of said ten days lay said objection before the Supervisors, who shall fix a time for hearing said objections, not less than one week thereafter. The Clerk of the Supervisors shall notify the persons making such objections by depositing a notice thereof in the Postoffice, postage prepaid, addressed to such objector.

SEC. 5. At the time specified, or to which the hearing may be adjourned, the Supervisors shall hear the objections urged, and pass upon the same, and their decision shall be final and conclusive. If such objections are sustained all proceedings shall be stopped, but proceedings may again be commenced at any time by giving notice of intention to do said work or make said improve-

ment. If such objection is overruled by the Supervisors, the proceedings shall continue the same as if such objection had not been made. At the expiration of the time prescribed, during which objections to said work or improvement may be made, if no objections shall have been made, or if objections shall have been made, and the Supervisors, after hearing, shall have overruled the same, the Supervisors shall be deemed to have acquired jurisdiction to order any of the work to be done or improvement to be made which are authorized by Section 1 of this Chapter, and by resolution shall order said work to be done or improvement to be made, as the case may be.

Viewing of Lands by Board of Public Works.

SEC. 6. Upon the passage of said resolution the Clerk of the Supervisors shall transmit a certified copy thereof to the Board of Public Works. Upon receipt of the same said Board of Public Works shall proceed to view the lands described in the resolution of intention, and may examine witnesses on oath to be administered by any member of said Board in relation thereto. Having viewed the land to be taken, and the improvements affected, and considered the testimony presented, they shall proceed with all diligence to determine the value of the land and the damage to improvements and property affected, and also the amount of the expenses incident to said work or improvement, and, having determined the same, shall proceed to assess the same upon the district of lands declared benefited, the exterior boundaries of which were fixed by the resolution of intention provided for by Section 2 hereof. Such assessment shall be made upon the lands within said district in proportion to the benefit to be derived from said work or improvement, so far as said Board can reasonably estimate the same, including in such estimate the property of any railroad company within said district, if such there be. In case, however, the Supervisors shall have declared that the whole of such expense shall be paid out of the revenues of the City and County, then no such assessment shall be made, but the Board of Public Works shall, in such event, report to the Supervisors in detail an estimate of the value of the land to be taken, the damages to improvements and the amount of expenses incident to said work, and if the Supervisors shall approve such estimate they shall order the amount so fixed to be paid to the persons respectively entitled thereto, as in Section 15 hereof provided.

Plat of Assessment District.

SEC. 7. Said Board of Public Works having made their assessment of benefits and damages, shall, with all diligence, make a written report thereof to the Supervisors, and shall accompany their report with a plat of the assessment district showing the land taken or to be taken for the work or improvement, and the lands assessed, showing the relative location of each district, block, lot or portion of lot, and its dimensions, so far as can be

reasonably ascertained. Each block or lot, or portion of lot, taken or assessed, shall be designated and described in said plat by an appropriate number, and a reference to it by such descriptive number shall be a sufficient description of it in any suit entered to condemn, and in all respects. When the report and plat are approved by the Supervisors, a copy of said plat, appropriately designated, shall be filed by the Clerk thereof in the office of the Recorder of the City and County.

What Report to Specify.

SEC. 8. Said report shall specify each lot, subdivision or piece of property taken or injured in the widening or other improvement, or assessed therefor, together with the name of the owner or claimants thereof, or of persons interested therein as lessees, incumbrancers, or otherwise, so far as the same are known to said Board of Public Works, and the particulars of their interest, so far as the same can be ascertained, and the amount of value or damage, or the amount assessed, as the case may be.

Conflicting Titles.

SEC. 9. If in any case the Board of Public Works find that conflicting claims of title exist, or if they shall be in ignorance or doubt as to the ownership of any lot of land, or of any improvements thereon, or of any interest therein, it shall be set down as belonging to unknown owners. Error in the designation of the owner or owners of any lot of land or improvements, or of the particulars of their interest, shall not affect the validity of the assessment or of the condemnation of the property to be taken.

Publication of Notice to Show Cause.

SEC. 10. Said report and plat shall be filed in the Clerk's office of the Supervisors, and thereupon the Clerk of said Board shall give notice of such filing by publication for at least ten days in the official newspaper. Said notice shall also require all persons interested to show cause, if any, why such report should not be confirmed, before the Supervisors on or before a day fixed by the Clerk thereof, and stated in said notice, which day shall not be less than thirty days from the first publication thereof.

Hearing Objections to Report.

SEC. 11. All objections shall be in writing, and filed with the Clerk of the Supervisors, who shall, at the next meeting after the day fixed in the notice to show cause, lay the said objections, if any, before the Supervisors, who shall fix a time for hearing the same, of which the Clerk shall notify the objectors in the same manner as objectors to the original resolution of intention. At the time set, or at such other time as the hearing may be adjourned to, the Supervisors shall hear such objections and pass upon the same; and at such time, or, if there be no objections, at the first meeting after the day set in said order to show cause, or such other time as may be fixed, shall proceed to pass upon such report, and may confirm, correct or modify the same, or may order the

Board of Public Works to make a new assessment, report and plat, which shall be filed, notice given, and hearing had, as in the case of an original report. If the Supervisors shall have determined that a certain proportion of the cost and expense of such work and improvement shall be paid out of the revenues of the City and County, they shall deduct such proportion from the total amount of the cost and expense thereof as finally fixed and determine in and by said assessment and report, and the amount of such proportion shall be paid out of any revenues appropriated for such purpose to the persons respectively entitled thereto, at the same time and in the same manner as in Section 15 hereof provided, and the balance shall be raised by assessment as hereinafter provided.

Assessment Roll, What to Constitute.

SEC. 12. The Clerk of the Supervisors shall forward to the Board of Public Works a certified copy of the report, assessment and plat, as finally confirmed and adopted by the Supervisors, with a statement of any deduction that may be made on account of payments made out of the revenues of the City and County, as in Section 11 provided. Such certified copy shall thereupon be the assessment roll. Immediately upon receipt thereof by the Board of Public Works the assessment therein contained shall become due and payable, and shall be a lien upon all the property contained or described therein.

Publication of Notice of Assessment. Delinquent Assessments.

SEC. 13. The Board of Public Works shall thereupon give notice by publication in the official newspaper for ten days that it has received said assessment roll, and that all sums levied and assessed in said assessment roll are due and payable immediately, and that the payment of said sums is to be made to said Board within thirty days from the date of the first publication of said notice. Said notice shall also contain a statement that all assessments not paid before the expiration of said thirty days will be declared to be delinquent, and that thereafter the sum of five per cent upon the amount of each delinquent assessment, together with the cost of advertising each delinquent assessment, will be added thereto. When payment of any assessment is made to said Board of Public Works it shall cause to be written the word "paid," and the date of payment, opposite the respective assessments so paid, and the names of persons by or for whom said assessment is paid, and shall, if so required, give a receipt therefor. On the expiration of said thirty days all assessments then unpaid shall be and become delinquent, and said Board of Public Works shall certify such fact at the foot of said assessment roll and shall add five per cent to the amount of each assessment so delinquent.

Sale of Delinquent Property. Redemption, How. Deeds.

SEC. 14. The said Board of Public Works shall, within five days after the date of said delinquency, proceed to advertise and

collect the various sums delinquent, and the whole thereof, including the cost of advertising, which last shall not exceed the sum of fifty (50) cents for each lot, piece or parcel of land separately assessed, by the sale of the assessed property in the same manner as is or may be provided for the collection of State and County taxes; and after the date of said delinquency, and before the time of such sale herein provided for, no assessment shall be received unless at the same time the five per cent added thereto, as aforesaid, together with the costs of advertising then already incurred, shall be paid therewith. Said list of delinquent assessments shall be published for five days in the official newspaper before the day of sale of such delinquent assessment. Said time of sale must not be less than seven days from the date of the first publication of said delinquent assessment list, and the place must be in or in front of the office of said Board of Public Works. All property sold shall be subject to redemption in the same time and manner as in sales for delinquent State and County taxes; and the Board of Public Works may collect for each certificate fifty cents and for each deed one dollar. All provisions of the law, in reference to the same and redemption of property, for delinquent State and County taxes in force at any given time, shall also then, so far as the same are not in conflict with the provisions of this Act, be applicable to the sale and redemption of property for delinquent assessments hereunder, including the issuance of certain certificates and execution of deeds. The deed of the Board of Public Works made after such sale, in case of failure to redeem, shall be prima facie evidence of the regularity of all proceedings hereunder, and of title in the grantee. It shall be conclusive evidence of the necessity of taking or damaging the lands taken or damaged, and of the correctness of the compensation awarded therefor. The Board of Public Works shall, from time to time, pay over to the City Treasurer all moneys collected by it on account of any such assessments. The Treasurer shall, upon receipt thereof, place the same in a separate fund, designating such fund by the name of the street, avenue, square, lane, alley, court or place for the widening, opening or other improvement of which the assessment was made. Payment shall be made from said fund to the parties entitled thereto, upon warrants signed by the members of the Board of Public Works, or a majority of them.

Payment of Damages Awarded.

SEC. 15. When sufficient money is in the hands of the Treasurer, in the fund devoted to the particular work or improvement, to pay for the lands and improvements taken or damaged, and when in the discretion of the Board of Public Works the time shall have come to make payments, it shall be the duty of said Board to notify the owner, possessor or occupant of any land or improvements thereon to whom damages shall have been awarded, that a warrant has been drawn for the payment of the same, and that he

can receive such warrant at the office of said Board upon tendering a conveyance of any property to be taken; such notification, except in the case of unknown owners, to be made by depositing a notice, postage paid, in the postoffice, addressed to his last known place of abode or residence. If at the expiration of thirty days after the deposit of such notice he should not have applied for such warrant, and tendered a conveyance of the land to be taken, the warrant so drawn shall be deposited with the Treasurer and shall be delivered to such owner, possessor, or occupant upon tendering a conveyance as aforesaid, unless judgment of condemnation shall be had, when the same shall be canceled.

Eminent Domain. Deficiency in Fund.

SEC. 16. If any owner of land to be taken neglects or refuses to accept the warrant drawn in his favor as aforesaid, or objects to the report as to the necessity of taking his land, the Board of Public Works shall report such facts to the Supervisors, who shall thereupon cause proceedings to be taken for the condemnation thereof, as provided by law under the right of eminent domain. The complaint may aver that it is necessary for the city to take or damage and condemn the said lands, or an easement therein, as the case may be, without setting forth the proceedings herein provided for, and the resolution and ordinance ordering said work to be done shall be conclusive evidence of such necessity. Such proceedings shall be brought in the name of the City and County, and have precedence, so far as the business of the court will permit, and any judgment for damages therein rendered shall be payable out of such portion of the special fund as may remain in the treasury, so far as the same can be applied. At any time after trial and after judgment has been entered, or preceding an appeal, the court may order the Treasurer to set apart in the treasury a sufficient sum from the fund appropriated to the particular improvement to answer the judgment and all damages, and thereupon may authorize and order the City and County to enter upon the land and proceed with the proposed work and improvement. In case of a deficiency in said fund to pay the whole of such judgment and damages, the Supervisors may, in their discretion, order the balance thereof to be paid out of the general fund of the treasury or to be distributed by the Board of Public Works over the property by a supplementary assessment; but in the last-named case, in order to avoid delay, the Supervisors may advance such balance out of any appropriate fund in the treasury, and reimburse the same from the collections of the assessment. Pending the collection and payment of the amount of the judgment and damages, the court may order such stay of proceedings as may be necessary.

Payment of Warrants.

SEC. 17. The Treasurer shall pay such warrants out of the appropriate fund, and not otherwise, in the order of their pres-

entation, *provided*, that warrants for land or improvements taken or damaged shall have priority over warrants for charges and expenses, and the Treasurer shall see that sufficient money is and remains in the fund to pay all warrants of the first class before paying any of the second.

Supplementary Assessment.

SEC. 18. If after the sale of property for delinquent assessments there should be a deficiency, and there should be unreasonable delay in collecting the same, or if for the purpose of equalizing the assessments supplying a deficiency, or for any cause it appears desirable, the Board of Public Works may so report to the Supervisors, who may order them to make a supplementary assessment and report the same in manner and form as the original, and subject to the same procedure. If by reason of such supplementary assessment, or for any cause, there should be at any time a surplus, the Supervisors may appropriate the same and declare a dividend pro rata to the parties paying the same, and they, upon demand, shall have the right to have the amount of such pro rata dividends refunded to them, or credited upon any subsequent assessment for taxes made against said parties in favor of said City and County.

Defective Titles.

SEC. 19. If any title attempted to be acquired by virtue of this Act shall be found to be defective from any cause the Supervisors may again institute proceedings to acquire the same as in this Chapter provided, or otherwise, or may authorize the Board of Public Works to purchase the same and include the cost thereof in a supplementary assessment, as provided in the last section.—*The entire 20 original sections of Chapter III were repealed and the foregoing 19 sections of the same Chapter were substituted in lieu thereof by amendment November 5, 1907, approved by the Legislature, November 23, 1907 (Statutes Special Session, 1907, pages 48-54.)*

CHAPTER IV.

SEWERS AND DRAINAGE.

General Drainage System.

SECTION 1. The Board of Public Works shall devise a general system of drainage, which shall embrace all matters relative to the thorough, systematic and effectual drainage of the City and County, and shall from time to time make to the Supervisors such recommendations upon the subject of sewerage and drainage as it may deem proper.

Powers of Board.

SEC. 2. The Board shall prescribe the location, form and material to be used in the construction, reconstruction and repairing of all public sewers, manholes, sinks, drains, cesspools, and all

other appurtenances belonging to the drainage system, and of every private drain or sewer emptying into a public sewer, and determine the place and manner of the connection.

Rules and Regulations.

SEC. 3. The Board shall recommend to the Supervisors rules and regulations concerning the public and private sewers and drains in the City and County, and upon recommendation of said Board, the Supervisors are authorized to pass an ordinance establishing the same and prescribing the penalties for any violation thereof.

Permits to Make Connections.

SEC. 4. No person shall connect with, or open or penetrate, any public sewer or drain without first obtaining a permit in writing from said Board, and complying with the rules and regulations of the Board in reference thereto.

Recommendations by Board.

SEC. 5. The Board may also recommend to the Supervisors the construction of such canals, sewers, tunnels, ditches, drains, embankments, reservoirs, pumping works, machinery and other works necessary for the proper and effectual drainage of the City and County, together with plans for connecting the same with sewers and private drains already constructed or thereafter to be constructed.

Purchase of Property.

SEC. 6. The Supervisors may, upon the recommendation of the Board of Public Works, by ordinance passed by not less than fourteen affirmative votes, authorize the purchase of any personal property or the acquisition by purchase or condemnation of any real estate which may be necessary for the construction of any sewer or the making of any improvement provided for in this Chapter.

Agreement on Damages.

SEC. 7. The Board may, with the like approval of the Supervisors, agree with the owners of any real estate, upon which it is deemed desirable to construct any sewer or other improvement relative to sewerage or drainage, upon the amount of damage to be paid to such owners for the purpose of such improvement and for the perpetual use of said real estate for such purpose.

Power to Construct Works.

SEC. 8. The Board may, when authorized by ordinance of the Supervisors passed by not less than fourteen affirmative votes, construct such sewers, reservoirs and pumping works as may be necessary to carry out the general system of sewerage for the City and County.

Condemnation of Property. Proceedings.

SEC. 9. When, upon the recommendation of the Board of Public Works, the Supervisors shall determine upon any improve-

ment for the purpose of sewerage and drainage which necessitates the acquisition or condemnation of private property, and the Board is unable to agree with the owner thereof, upon the amount of compensation or damages to be paid therefor, or when such owner is in any way incapable of making any agreement in reference thereto, and in all cases in which the Board shall deem it most expedient, it shall, when authorized by the Supervisors expressed by ordinance, have the right to cause said property to be condemned, and to institute proceedings for the condemnation of such property, or for the ascertainment of such damages in the manner, so far as the same may be applicable, which is provided in this Article for the condemnation of real estate when necessary for the opening of any new street.

CHAPTER V.

HARBORS AND WHARVES.

Supervisors to Control Wharves and Harbor.

SECTION 1. All the Wharves, Water Front and Harbor of San Francisco which now belong or may hereafter belong to the City and County, or over which it may at any time lawfully exercise jurisdiction and control, shall be under the management and control of the Supervisors. All said wharves shall be built and repaired by the Board of Public Works, after proceedings had as provided in this Article for the improvement or repair of public buildings.

Tolls to Be Regulated by Ordinance.

SEC. 2. The Supervisors shall by ordinance fix and regulate the tolls for wharfage and dockage, and shall provide for the collection of the same, except where the wharves are under the jurisdiction of the Board of State Harbor Commissioners, or may provide that no charges, tolls, dockage or wharfage be imposed or collected. The Supervisors shall not have power to dispose of any wharf, but they may lease any wharf for a term not exceeding two years.

CHAPTER VI.

RELATING TO THE MODIFICATION OR CHANGE OF STREET GRADES AND THE PERFORMANCE OF STREET WORK IN CONNECTION THEREWITH.

Street Grades, How May Be Changed.

SECTION 1. The Board of Supervisors is hereby empowered, on the written recommendation of the Board of Public Works, to change or modify the grade of any public street, avenue, lane, alley, place or court to the grade set out in such recommendation, and to regrade, repave, sewer, sidewalk, curb or otherwise improve the same, so as to conform to such change or modified grade in the manner as hereinafter provided. Before any change

of grade is attempted, the Board of Supervisors shall pass a resolution of intention to make such change or modification of grade, and it shall in the same resolution, when regrading, repaving, sidewalking, sewerage, curbing or other improvement on such street or streets is contemplated in connection therewith, define and establish the district benefited and to be assessed for the payment of damages and for the expense of regrading, repaving, sewerage, sidewalking, curbing, or otherwise improving such street or streets so as to conform with such change or modified grade; and it shall have power at the same time and in the same resolution to provide for the actual cost of performing the work of regrading, repaving, sewerage, sidewalking, curbing or otherwise improving such street or streets or portion or portions thereof with the same or other material with which it was formerly graded, paved, sewerage, sidewalked, curbed or otherwise improved, briefly describing the work to be done and providing that the cost of the same shall also be assessed upon the same district which is declared to be benefited by such change or modified grade. When a change or modification of grade or grades is proposed to be made upon a street, avenue, alley, lane, court or place, which has already been sewerage, paved, curbed or graded, no such change or modification of such grade or grades shall be made unless provision shall also be made for the re sewerage, repaving, re curbing or regrading of such street, avenue, alley, lane, court or place. One or more streets or blocks of streets may be embraced in the same resolution. Such resolution shall be published in the official newspaper. Such publication shall be made for ten days, and shall describe the proposed change or modification of grade, and when such resolution contemplates such work it shall describe the regrading, repaving, sewerage, sidewalking, curbing or other improvement so contemplated, and shall set forth and describe the district to be benefited by such change or modification of grade or regrading, repaving, sewerage, sidewalking, curbing or other improvement, and to be assessed for the damages and cost of making the same. Within ten days after the first publication of the resolution of intention the Board of Public Works shall cause to be conspicuously posted along all streets within the district defined in the resolution, or, when no such district is defined, along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of said resolution. Said notices shall be posted not more than one hundred feet apart and shall be headed "Notice of Grade Change" or "Notice of Grade Change and Street Work," as the case may be, in letters not less than two inches in length, and shall, in legible characters, state the fact of the passage of the resolution, its date, the fact of the proposed grade change, and, if any, briefly the work or improvement proposed, and refer to the resolution for further particulars. When no improvements

are provided for in connection with the said change or changes of grade or grades, if no protest of the owners of two-thirds of the property fronting on the street or streets, the grade or grades of which is to be changed or modified, shall be filed with the Clerk of the Board of Supervisors within forty days from the first publication of the resolution of intention hereinbefore mentioned, the Board of Supervisors shall have power to declare such grade or grades to be changed or modified and established, in conformity with said resolution; and when such improvement or improvements are contemplated in connection with such change, or changes of grade or grades, if no protest of the owners of a majority of the superficial area of the property included within the assessment district defined in said resolution of intention shall be filed with the Clerk of the Board of Supervisors within forty days from the first publication of said resolution hereinbefore mentioned, the Board of Supervisors shall also have the power to order any of the work contemplated therein to be done, and such street or streets to be regraded, repaved, sewerred, sidewalked, curbed or otherwise improved in conformity therewith.

Owner May File Estimate of Damages.

SEC. 2. In case the resolution of intention provides for regrading, repaving, sewerred, sidewalking, curbing or otherwise improving said street or streets, to said changed or modified grade, any person owning property fronting upon said portions of the street or streets where such street work is to be done, may file a petition with the Board of Public Works within sixty days after the first publication of said resolution of intention, showing the fact of such ownership, a description and situation of the property claimed to be damaged, its market value, and the estimated amount of damages over and above all benefits which the property would sustain by the proposed change if completed. Such petition shall be verified by the oath of the petitioner or his agent. A failure so to petition shall be deemed and treated as a waiver of any claim for such damage or damages, and said resolution of intention shall so declare.

Board Shall Estimate Costs.

SEC. 3. Whenever such petition or petitions have been filed, the Board of Public Works shall estimate and assess the benefits, damages and costs of the proposed work or improvement upon each separate lot of land situated within such assessment district as said lot appears of record upon the last City and County assessment roll.

Power to Subpoena Witnesses.

SEC. 4. The Board of Public Works shall have power to subpoena witnesses to appear before them to be examined under oath, which any member of the Board of Public Works is authorized to administer.

Assessment of Costs.

SEC. 5. The Board of Public Works having determined the damages which would be sustained by each petitioner, in excess of all benefits, shall proceed to assess the total amount thereof, together with the costs, charges and expenses of the proceedings, upon the several lots of land benefited within the district of assessment, so that each of the lots shall be assessed in accordance with its benefits caused by such work or improvements.

Report of Board of Public Works.

SEC. 6. The Board of Public Works shall make their report in writing, and shall subscribe to and file the same with the Board of Supervisors. In such report they shall describe separately each piece of property which will sustain damage and for which damages have not been waived, stating the name of the owner, if known, and the amount of damages each will sustain over and above all benefits. They shall also describe separately each lot benefited within said assessment district, the name of the owner, if known, and the amount of benefits in excess of the damages assessed against the same. In describing the lots to be assessed, reference may be had to a diagram of the property in such assessment district, such diagram to be attached to and made a part of the report of the Board of Public Works. If in any case the Board of Public Works shall find that conflicting claims of title exist, or shall be in ignorance or doubt of the ownership of any lot of land, or any improvement thereon, or any interest therein, it shall be set down as belonging to unknown owners. Error in designation of the owner or owners of any land or improvement or particulars of their interest, shall not affect the validity of the assessment.

Notice of Filing of Report.

SEC. 7. On the filing of said report, the Clerk of the Board of Supervisors shall give notice of such filing by the publication of a notice for at least ten days in the official newspaper. Said notice shall require all persons interested to show cause, if any they have, before the Board of Supervisors, on a day to be fixed by the said Board and stated in said notice, which day shall not be less than twenty days from the first publication thereof, why such report should not be confirmed.

Objections to Report.

SEC. 8. All objections filed in response to said notice to show cause shall be in writing and filed with the Clerk of the Board of Supervisors, who shall, at the next meeting after the date fixed in the notice to show cause, lay the said objections, if any, before the Board of Supervisors, which shall fix a time not less than fifteen days thereafter for hearing the same, of which time the Clerk shall notify the objectors by notice published in the official newspaper for a period of five days and by depositing a notice, postage prepaid, in the United States Postoffice at San Francisco,

addressed to each objector at his last known place of residence, at least ten days before the date of such hearing. At the time set, or at such other time to which the hearing may be adjourned, the Board of Supervisors shall hear such objections and pass upon them, and at such time shall proceed to pass upon such report and may confirm, correct or modify the same, or may order the Board of Public Works to make a new assessment, report and plat, which shall be filed, notice given and had, as in the case of the original report.

Repaving Specifications, Bids and Contracts.

SEC. 9. After the report of the Board of Public Works as to the damages caused by such change of grade has been finally passed upon by the Board of Supervisors, such Board of Public Works shall prepare detailed plans and specifications subject to the approval of the Board of Supervisors, for regrading, paving, sewerage, sidewalking, curbing or otherwise improving such street or streets as set forth in said resolution of intention and shall then advertise for bids to perform the work of regrading, repaving, sewerage, sidewalking, curbing or otherwise improving such street or streets, as the case may be, with the same or other material with which the same have been formerly graded, paved, sewerage, sidewalked, curbed or otherwise improved; first causing a notice, with such specifications to be posted conspicuously for fifteen days in or near the office of the Board of Public Works, inviting sealed proposals or bids for doing such work, and shall also cause notice of said work, inviting said proposals and referring to the specifications posted and already on file, to be published five days in the official newspaper. All proposals or bids offered shall be accompanied by a check payable to the order of the Clerk of the Board of Supervisors, and certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for said amount, signed by the bidder and two sureties, who shall justify under oath in double said amount over and above all the statutory exemptions. Said proposals or bids shall be delivered to the Secretary of the Board of Public Works, and said Board of Public Works shall, in open session, examine and declare the same; *provided, however*, that no proposal or bid shall be received unless accompanied by a check or a bond satisfactory to the Board of Public Works. The Board of Public Works may reject any or all bids and may award the contract to the lowest responsible bidder, or may readvertise for proposals or bids for the performance of the work, as in the first instance, and thereafter proceed in the manner in this section provided; all checks accompanying bids shall be held by the Secretary of the Board of Public Works until the successful bidder has entered into a contract as herein provided, and in case he refuses so to do, then the amount of his certified check shall be declared forfeited to

the city and shall be collected and paid into its general fund, and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into the said fund. Notice of the awards of the contracts shall be published and posted in the same manner as hereinbefore provided for the advertising for proposals of such work. Before being entitled to a contract, the successful bidder must advance to the Secretary of the Board of Public Works, for payment by him, the cost of publication of the notices, resolutions, orders, or the incidental expenses and matters required under the proceedings described by this Chapter.

Distribution of Assessment of Costs.

SEC. 10. After such contract has been awarded and entered into, the Board of Public Works shall proceed to assess the cost and expense of doing such work upon all the lots and land lying within the district to be assessed, distributing the same so that each lot will be assessed for its proportion of the same according to the benefits it receives from the work. The Board of Public Works in making such assessment shall also include therein the total amount for which each lot, or tract is assessed for the damages resulting from the regrading, repaving, sewerage, sidewalking, curbing or otherwise improving such street or streets; *provided*, no assessment for such damages and cost and the expense of such work shall be levied upon any property which will amount to a sum greater than 50 per centum of the value at which said property was assessed upon the last preceding assessment book of the City and County.

Assessment Roll, What Constitutes.

SEC. 11. The Secretary of the Board of Public Works shall forward to the Board of Supervisors a certified copy of the report and assessment as finally adopted by the Board of Public Works, whereupon such report and assessment shall be changed, modified or confirmed by the Board of Supervisors, and upon such modification, change, or confirmation thereof, shall be returned to the Board of Public Works and shall thereupon be the assessment roll. Immediately upon receipt thereof by the Board of Public Works, the assessment therein contained shall become due and payable and shall be a lien upon all the property contained or described therein.

Publication of Notice of Assessment. Delinquent Assessments.

SEC. 12. The Board of Public Works shall thereupon give notice by publication for ten days in the official newspaper, that it has received said assessment roll, and that all sums levied and assessed in said assessment roll are due and payable immediately, and that the payment of said sums are to be made to the Board of Public Works within thirty days from the date of the first publication of said notice. Said notice shall also contain a statement that all assessments not paid before the expiration of said thirty days will be declared to be delinquent; that thereafter the

sum of five per cent upon the amount of said delinquent assessment, together with the cost of advertising each delinquent assessment, will be added thereto. When payment of any assessment is made to said Board of Public Works, the Secretary thereof shall write the word "paid" and the date of payment opposite the respective assessments so paid, and the name of the person by or for whom said assessment is paid, and shall give a receipt therefor. On the expiration of said thirty days all assessments then unpaid shall be and become delinquent and the Secretary of the said Board of Public Works shall certify such fact at the foot of said assessment roll, and shall add five per cent to the amount of each assessment so delinquent. The said Secretary of the Board of Public Works shall, within five days from the date of such delinquency, proceed to advertise the various sums delinquent and the whole thereof, including the cost of advertising, which shall not exceed the sum of fifty cents for each lot, piece or parcel of land separately assessed, in the same manner as is or may be provided for the publication of the delinquent list of State and County taxes; and after the date of said delinquency and before the time of such sale therein provided for, no assessments shall be received unless at the same time the five per cent added thereto, as aforesaid, together with the cost of advertising already incurred, shall be paid therewith. Said list of delinquent assessments, with a notice of the time and place of sale of property affected thereby, shall be published daily for five days in the official newspaper, before the sale of property for such delinquent assessments. Said time of sale must not be less than seven days from the date of the first publication of said delinquent assessment list, and the place must be in or in front of the office of the Secretary of the Board of Public Works. All property sold shall be subject to redemption for one year and in the same manner as in sales for delinquent State and County taxes: and the Secretary of the Board of Public Works shall, if there be no redemption, make and deliver to the purchaser at such sale a deed conveying the property sold and may collect for each certificate fifty cents, and for each deed one dollar. The deed of the Secretary of the Board of Public Works, made for such sale, in case of failure to redeem, shall be prima facie evidence of the regularity of all proceedings thereunder, and that all title is in the grantee. The Secretary of the Board of Public Works shall, from time to time, pay over to the City Treasurer all moneys collected by him, or by the Board of Public Works, on account of such assessments, which the City Treasurer shall, upon receipt thereof, place in a separate fund, designating each fund by the name of the street, avenue, square, lane, alley, court or place for the change of grade for which the assessment was made. And the City Treasurer shall transfer to said fund such sum or sums as the Supervisors may have ordered to be paid or

advanced for or on account of such improvement out of that fund in the treasury of the City and County from which such appropriation is made. Payment shall be made from said fund to the parties entitled thereto, upon warrants issued by the Secretary of the Board of Public Works on order of said Board.

Notice of Payment of Damages.

SEC. 13. When sufficient money is in the hands of the City Treasurer to pay the total cost for damages, as well as the cost of doing the work, and all other expenses connected therewith, it shall be the duty of the Board of Public Works to notify the owner, possessor or occupant of the premises damaged, and to whom damages have been awarded, that a warrant has been drawn for the payment of the same, which may be received at the office of said Board of Public Works. Such notification may be made by depositing a notice, postage paid, in the United States Postoffice, at San Francisco, addressed to his last known place of residence. If, after the expiration of three days from the service or deposit of the notice in the Postoffice, he shall not have applied for such warrant, the same shall be drawn and deposited with the City Treasurer to be delivered to him upon demand.

Payment to Contractor.

SEC. 14. After the contractor to whom has been awarded the contract for regrading, repaving, sewerage, sidewalk, curbing, or otherwise improving such street or streets, has fulfilled his contract to the satisfaction of the Board of Public Works and the City Engineer has certified to the completion of said work, the Secretary of the Board of Public Works, on order of said Board, shall issue a warrant, payable out of said fund, in favor of such contractor in payment for such work.

Supplementary Assessment for Costs.

SEC. 15. In case of a deficiency of the fund to pay the whole assessed cost and damages, the Board of Supervisors may in its discretion, order the balance thereof to be distributed by the Board of Public Works upon the property assessed, by a supplementary assessment, or direct the payment of such balance to be made from the City Treasury; but in the event that a supplementary assessment is ordered, in order to avoid delay, the Board of Supervisors may advance such balance out of any available fund in the treasury and reimburse the same from the collection of assessments. The Treasurer shall pay such warrants in the order of their presentation.

Cost of Work May Be Paid Out of City Treasury.

SEC. 16. The Board of Supervisors may, in its discretion, order by ordinance, that the whole or any part of the cost and expense of any of the work hereinbefore in this Chapter mentioned or the damages resulting therefrom, be paid out of the treasury of the City and County from such fund as the Board of Supervisors may designate. Whenever a part of such cost or expense is so or-

dered to be paid before the making of an assessment therefor, the Board of Public Works, in making up the assessment heretofore provided for such cost or expense, shall first deduct from the whole cost and expense such part thereof as has been so ordered to be paid out of the municipal treasury, and shall assess the remainder of said cost and expense proportionately upon the lots, parts of lots and lands in said assessment district, or liable to be assessed for such work, and in the manner hereinbefore provided. —*The foregoing Chapter VI was added by amendment November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, pages 41-47).*

When the cost of any public utility or utilities named in such petition or petitions can be paid out of the annual revenues of the City and County in addition to the other necessary expenses thereof, each proposition therefor, submitted to the electors, shall specify the cost of the utility therein proposed for acquisition by the City and County, the proposed method and manner of payment thereof, and the Board of Supervisors shall submit therein to the electors the question whether the same shall be acquired upon such terms. A majority of the electors voting at such special election shall be necessary to accept such proposition.

At as early a date after the determination of the result of such special election as the Board of Supervisors shall deem for the best interests of the City and County, it shall undertake proceedings and enter into such negotiations and contracts as may be necessary for the acquisition of any public utility or utilities named in any proposition or propositions accepted by a majority of the electors voting at such special election.

If, however, the cost of any public utility or utilities, named in any petition or petitions of the electors, shall so far exceed the annual revenues of the City and County, in addition to the other necessary expenses thereof, as to render it necessary to incur a municipal bonded indebtedness therefor, each proposition for the acquisition of such public utility or utilities shall specify the amount of the bonded indebtedness necessary therefor and the rate of interest thereon, and the Board of Supervisors shall submit to the electors, at such special election, the question whether such bonded indebtedness shall be incurred. At least two-thirds

of the electors voting at such special election shall be necessary to secure the acquisition of such public utility or utilities and to warrant the issuance of municipal bonds therefor.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 592).*

Ordinance of Intention to Be Published Two Weeks. Duty of Board When Cost Can Be Paid Out of Annual Revenues. Incurring of Municipal Bonded Indebtedness.

Such Ordinance shall be published for at least two weeks in the official newspaper.

When the cost of such public utilities, or any of them, can be paid out of the annual revenues of the City and County in addition to the other necessary expenses thereof, the Board of Supervisors shall, as soon after the filing of the plans and estimates of cost thereof as it may deem for the best interests of the City and County, enter into such negotiations and contracts as may be necessary for the acquisition of the same.

If, however, the cost of such public utilities, or any of them, shall so far exceed the annual revenues of the City and County in addition to the other necessary expenses thereof, as to render it necessary to incur a municipal bonded indebtedness therefor, the Board of Supervisors shall, at any regular meeting held within eight weeks after the filing of the plans and estimates of cost thereof, by Ordinance, as hereinafter in Section 6 of this Article provided, call a special election, at which shall be submitted to the electors a proposition or propositions for the acquisition of such public utility or utilities. Such propositions shall specify the amount of the bonded indebtedness necessary for the acquisition of the utility or utilities therein named and the rate of interest thereon, and the Board of Supervisors shall submit to the electors the question or questions whether such bonded indebtedness shall be incurred. At least two-thirds of the electors voting at such special election shall be necessary to warrant the issuance of municipal bonds for the acquisition of such public utility, or any of them.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 593).*

SEC. 6. Whenever, under the provisions of this Article, it shall be necessary to call a special election for the purpose of submitting to the electors a proposition or propositions for the acquisition of public utilities, the Board of Supervisors shall pass an Ordinance calling such special election for such purpose.

At such special election all propositions for the acquisition of public utilities, formulated under the provisions of this Article, may be submitted to the electors of the City and County. No question except the acquisition of public utilities and the incurring of municipal indebtedness therefor shall be submitted at such special election.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 594).*

SEC. 7. The Ordinance calling such special election shall set forth the purposes for which the election is called, the estimated cost of each utility proposed for acquisition by the City and County, the proposed method and manner of payment thereof, and shall fix a day on which such special election shall be held, the manner of holding such election and the manner of voting for or against each proposition thereat submitted to the electors; and, if it shall be necessary to incur a municipal indebtedness for any utility or utilities therein proposed for acquisition by the City and County, the Ordinance shall specify the objects and purposes for which such indebtedness is proposed to be incurred, and that bonds of the City and County shall issue for the payment of the cost of such utility or utilities, as in such Ordinance set forth (if the proposition or propositions therefor be accepted by the electors). Such election shall be held as provided by law for holding elections in the City and County.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 594).*

SEC. 8. Such Ordinance shall be published daily for at least ten days in the official newspaper. At the expiration of said ten days the Supervisors shall cause to be published daily for not less than two weeks in the official newspaper a notice of such special election. Such notice shall specify the purpose for which the indebtedness is to be incurred, the number and character of the bonds to be issued, the rate of interest to be paid, and the amount of tax levy to be made for the payment thereof.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 594).*

Limit to Indebtedness.

SEC. 9. No indebtedness shall be incurred for the acquisition of any public utility under the provisions of this Article, which, together with the existing bonded indebtedness of the City and County, shall exceed at any one time fifteen per centum of the assessed value of all real and personal property in the City and County.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes 1903, page 594).*

Bonds for Acquisition of Public Utilities. Form. Denomination. How Sold. Proceeds of Sale: to What Applied. Unsold Bonds. Unsold Bonds Heretofore Issued. Registered Bonds.

SEC. 10. The bonds issued under the provisions of this Article shall be of such form as the Supervisors in the ordinance calling the election therefor shall determine; but such bonds shall be payable, interest and principal, in gold coin of the United States. The interest on such bonds shall not exceed 5 per cent per annum, and they shall be redeemed at such times and in such amounts as the Supervisors shall determine, as set forth in the ordinance calling the special election; *provided*, that redemption of such bonds shall begin in not more than eighteen years and shall be completed in not more than seventy-five years from the date of the issue.

The bonds so issued shall be exempt from all taxation for municipal purposes and shall be issued in denominations of not less than ten dollars and not more than one thousand dollars, and preference in the sale and allotment thereof shall be given to subscribers for the smallest amounts and the lowest denominations.

The Supervisors shall fix the times and places at which the payment of interest or principal may be made.

Such bonds when issued may be sold by the Supervisors from time to time, as required, and in such quantities as they may determine. When such bonds are offered for sale they shall be advertised in the official paper and otherwise if so ordered by the Supervisors and sealed proposals for the purchase of the whole or any part thereof offered shall be opened at the time specified in such advertisements. All proposals for the purchase of such bonds shall be accompanied by a deposit of 5 per cent of the amount bid in lawful money of the United States or by a deposit of a certified check payable to the Clerk of the Board of Supervisors of the City and County for a like sum; *provided*, that no deposit need exceed the sum of ten thousand dollars, and that no deposit need be given by the State of California, which money or check shall be forfeited by the bidder in case he fails to accept and pay for the bonds bid for by him if his bid is accepted. Bonds shall be sold to the highest bidder for not less than par, but the Supervisors shall have the right to reject any or all bids made for the purchase thereof. If less than the amount of bonds offered shall be sold, the Supervisors may, with the concurrence of fourteen members and the Mayor, place such unsold bonds on sale at the City Treasury, or at branches thereof established by the Treasurer for public convenience; and such bonds may be sold to any applicant at such prices as may be fixed by the Supervisors, *provided* that such prices shall not be less than par and accrued interest.

The proceeds of any sale of bonds shall be placed in the treas-

ury to the credit of the proper fund, and shall be applied exclusively to the purposes and objects mentioned in the ordinance authorizing their issue until such objects are fully accomplished; after which, if any surplus remains, such surplus may be transferred to the general fund, except that if such surplus exceeds the sum of two thousand dollars, then such surplus and the whole thereof shall be transferred to the appropriate fund or funds to pay the interest and maintain the sinking fund or provide for the retirement of the bonded indebtedness in connection with which such surplus remains.

If the bonds or any of them offered for sale shall remain unsold the Supervisors may so declare, and may, with the concurrence of fourteen members and the Mayor, cancel such unsold bonds, *provided* that no bonds shall be canceled as aforesaid unless the same have been offered for sale by advertisement, as above provided, at least three separate times at intervals of not less than thirty days, *and provided* that no such bonds shall be canceled by the Supervisors as aforesaid for which par or above has been bid by any bona fide responsible bidder or bidders.

The provisions of this section, regarding the cancellation of unsold bonds, shall apply to any bonds that have been heretofore issued or to any bonds that have been heretofore authorized by a vote of the electors of the City and County under this section or under Section 29 of Article XVI of this Charter, and that remain unsold after efforts to sell the same shall have been made as above provided.

Whenever the owner of any coupon bond, or of any bond payable to bearer, already issued or hereafter issued by the City and County shall present any such bond to the Treasurer with a request for the conversion of such bond into a registered bond, such Treasurer shall cut off and cancel the coupons of any such coupon bond so presented, and shall stamp, print or write upon such coupon bond or such other bond payable to bearer, so presented, either upon the back or upon the face thereof, as may be convenient, a statement to the effect that the said bond is registered in the name of the owner, and that thereafter the interest and principal of said bond are payable to the registered owner. Thereafter, and from time to time, any such bond may be transferred by such registered owner in person, or by attorney duly authorized on presentation of such bond to Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon. Such statement stamped, printed or written upon any such bond may be in substantially the following form:

(Date—giving month, year and day.)

This bond is registered pursuant to Charter of the City and County of San Francisco, State of California, in the name of —

(here insert name of owner), and the interest and principal thereof are hereafter payable to such owner.

Treasurer.

After any bond shall have been registered as aforesaid, the principal and interest of such bond shall be payable to the registered owner. Such Treasurer shall keep in his office a book or books which shall, at all times, show what bonds are registered and in whose names, respectively.—*As amended November 5, 1907, approved by the Legislature November 22, 1907 (Statutes Special Session, 1907, page 15).*

Signatures. Coupons.

SEC. 11. Such bonds shall be signed by the Mayor and the Treasurer, and shall be countersigned by the Auditor. Levy of Tax to Pay Annual Interest on Bonds.

SEC. 12. At the time of levying the municipal tax, and in the manner provided for such tax levy, the Supervisors shall levy and collect annually a tax sufficient to pay the annual interest on such bonds, and also such part of the bonded municipal indebtedness as will fall due within the succeeding fiscal year, and as may be necessary to provide for the sinking fund payments of the next succeeding fiscal year; *provided* that when the interest and sinking fund payments for any fiscal year on the bonds issued for any public utility can be met out of the surplus earnings of such public utility for the preceding fiscal year, no tax shall be levied for such purpose. Such taxes shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected.—*As amended November 5, 1907, approved by the Legislature November 22, 1907 (Statutes Special Session, 1907, page 17).*

Penalty for Failure to Enforce This Article.

SEC. 13. A neglect or refusal on the part of the Supervisors to comply with the provisions of this Article shall constitute cause for the removal from office of any member or members of the Board guilty of such neglect or refusal.—*As amended December 4, 1902, approved by the Legislature February 5, 1903 (Statutes, 1903, page 596).*

Power to Acquire Public Utilities.

SEC. 14. The City and County shall have power to acquire, construct or complete any public utility from funds derived from taxes levied for that purpose, or from funds derived from the sale of bonds issued for that purpose, as is provided in this Charter, and may operate, maintain, sell or lease the same, subject to the other provisions and limitations of this Charter.

Acquisition of Lands for Water Purposes.

SEC. 15. The Supervisors shall have power, in the name and for the benefit of the City and County, to acquire by purchase or condemnation, subject to the conditions and limitations in this Charter and the general laws of the State prescribed, any lands situated within the State of California necessary for constructing or maintaining canals, aqueducts, reservoirs, tunnels, flumes, ditches, or pipes for conducting or storing water for the use of the City and County, or the inhabitants thereof.

Disposition of Receipts from Public Utilities.

SEC. 16. 1. Whenever any public utility shall be operated by the City and County, the receipts from such utility shall be paid daily into the city treasury and maintained in a special fund set aside for such utility. The Supervisors may, from time to time, make appropriations from such funds for the following purposes:

- (a) For the payment of the operating expenses of such utility;
- (b) For repairs and reconstruction;
- (c) For payment of interest and sinking fund on the bonds issued for the acquisition or construction of such utility;
- (d) For extensions and improvements;
- (e) For a reserve fund.

Reserve Fund.

2. Whenever the reserve fund shall exceed one-half of the payment for operating expenses in the preceding fiscal year, the Supervisors shall have the power to appropriate such excess to the general fund.

Books of Account.

3. The City and County, when owning any public utility, shall keep the books of account for such public utility distinct from other City and County accounts and in such manner as to show the true and complete financial results of such municipal ownership, or ownership and operation, as the case may be. Such accounts shall be so kept as to show the actual cost to the City and County of the public utility owned; all costs of maintenance, extension and improvement; all operating expenses of every description, and in case of such municipal operation the amounts set aside for sinking fund purposes. If any service shall be furnished for the use of such public utility without charge, the accounts shall show as nearly as possible the value of such service, and also the value of such similar service rendered by the public utility to any other municipal department without charge; such accounts shall also show reasonable allowances for interest, depreciation and insurance, and also estimates of the amount of taxes that would be chargeable against such property if owned by a private corporation. The Supervisors shall cause to be printed annually for public distribution a report showing the financial results, in form as aforesaid, of such municipal ownership and operation. The accounts of such public utility, kept as aforesaid, shall be exam-

Such expert accountant shall be selected in such manner as the Supervisors may direct, and he shall receive for his services such compensation, to be paid out of the income or revenues from such public utility, as the Supervisors may prescribe.—*Sections 14, 15, 16 added by amendment adopted November 5, 1907, approved by the Legislature November 23, 1907 (Statutes Special Session, 1907, page 37).*

SECTION 1. Immediately upon the taking effect of this Charter the Mayor shall appoint three persons, known by him to be devoted to the principles of Civil Service reform, who shall constitute the Civil Service Commission, one for one year, one for two years, and one for three years. Each year thereafter the Mayor shall in like manner appoint one person as the successor of the Commissioner whose term of office expires in that year, to serve as such Commissioner for three years. All appointments shall be so made that not more than one Commissioner shall at any time belong to the same political party. Each of such Commissioners shall receive an annual salary of twelve hundred dollars.

Classified Service.

SEC. 2. The Commissioners shall classify all the places of employment in or under the offices and departments of the City and County mentioned in section eleven of this Article, with reference to the examinations hereinafter provided for. The places so classified by the Commissioners shall constitute the classified civil service of the City and County, and no appointment to any such place shall be made except according to the rules hereinafter mentioned.

Rules of Commissioners.

SEC. 3. The Commissioners shall make rules to carry out the purposes of this Article, and for examinations, appointments, promotions and removals, and in accordance with its provisions may from time to time make changes in the existing rules. All rules and all changes therein shall be forthwith printed for distribution by the Commissioners.

Examination of Applicants.

SEC. 4. All applicants for places in the classified civil service shall be subjected to examination, which shall be public, competitive and free. Such examinations shall be practical in their char-

acter, and shall relate to those matters only which will fairly test the relative capacity of the persons examined to discharge the duties of the positions to which they seek to be appointed, and shall include, when appropriate, tests of physical qualifications, health, and of manual or professional skill.

Selection of Laborers.

SEC. 5. The selection of laborers shall be governed by priority of application only. No question in any examination shall relate to political or religious opinions or affiliations. The Commissioners shall control all examinations, and may, whenever an examination is to take place, designate a suitable number of persons, either in or not in the official service of the City and County, to be examiners; and, if in the official service, it shall be a part of their official duty, without extra compensation, to conduct such examinations as the Commissioners may direct, and to make return and report thereof to the Commissioners. The Commissioners may substitute any other person, whether in or not in such service, in the place of any one so selected, or may themselves act as such examiners.

Notice of Examinations.

SEC. 6. Notice of the time, place and general scope of every examination shall be given by the Commissioners by publication for two weeks preceding such examination in the official newspaper, and such notice shall also be posted by the Commissioners in a conspicuous place in their office for two weeks before such examination. Such further notice of examination shall be given as they may prescribe.

Registers of Each Class of Positions.

SEC. 7. From the returns of the examiners, or from the examinations made by the Commissioners, the Commissioners shall prepare a register for each grade or class of positions in the classified service of the City and County of the persons whose general average standing upon examination for such grade or class is not less than the minimum fixed by the rules of the Commissioners, and who are otherwise eligible. Such persons shall take rank upon the register as candidates in the order of their relative excellence, as determined by examination, without reference to priority of time of examination.

Promotions, Basis Of.

SEC. 8. The Commissioners shall provide for promotion in the classified service on the basis of ascertained merit and seniority in service and standing upon examination, and shall provide, in all cases where practicable, that vacancies shall be filled by promotion. All examinations for promotions shall be competitive among such members of the next lower rank established by the Commissioners for each department as desire to submit themselves to such examinations. The Commissioners shall submit to

the appointing power the names of not more than three applicants having the highest rating for each promotion. The method of examining, and the rules governing the same, and the method of certifying, shall be the same, as near as may be, as provided for applicants for original appointments.

Duty of Heads of Departments. Candidates Highest on Register.

SEC. 9. The heads of the department or office, in which a position classified under this Article is to be filled, shall notify the Commissioners of that fact, and the Commissioners shall then certify to the appointing officer the name and address of one or more candidates, not exceeding three, standing highest upon the register for the class or grade to which the position belongs; but laborers shall be taken according to their priority of application. In making such certification, sex shall be disregarded, except when some statute, the rules of the Commissioners, or the appointing power specifies sex.

Appointments on Probation. Conditions of Discharge. Temporary Appointments.

SEC. 10. The appointing officer shall notify the Commissioners of each position to be filled separately, and shall fill such place by the appointment of one of the persons certified to him by the Commissioners therefor. Such appointment shall be on probation for a period to be fixed by the rules of the Commissioners; but such rules shall not fix such period at exceeding six months. The Commissioners may strike off names of candidates from the register after they have remained thereon more than two years. At or before the expiration of the period of probation, the head of the department or office in which a candidate is employed, may, by and with the consent of the Commissioners, discharge him upon assigning in writing his reason therefor to the Commissioners. If he is not then discharged, his appointment shall be deemed complete. To prevent the stoppage of public business, or to meet extraordinary exigencies, the head of any department or office may, with the approval of the Commissioners, make temporary appointments, to remain in force not exceeding sixty days, and only until regular appointments, under the provisions of this Article, can be made.

Dismissals for Cause Only. Investigation of Charges. Suspensions.

SEC. 12. No deputy, clerk or employe in the classified civil service of the City and County, who shall have been appointed under said rules, shall be removed or discharged except for cause, upon written charges and after an opportunity to be heard in his own defense. Such charges shall be investigated by or before the Civil Service Commission, or by or before some officer or board appointed by the Commissioners to conduct such investigation. The finding and decision of the Commissioners, or such investigating officer, or board, when approved by the Commissioners, shall be certified to the appointing officer or board, and shall be forthwith enforced by such officer. Nothing in this Article shall limit the power of any officer or board to suspend a subordinate for a reasonable period, not exceeding thirty days.

Notice of Appointments, Promotions or Changes.

SEC. 13. Immediate notice in writing shall be given by the appointing power to the Commissioners of all appointments, permanent or temporary, made in such classified civil service, and of all transfers, promotions, resignations, suspensions or vacancies from any cause in such service, and of the date thereof; and a record of the same shall be kept by the Commissioners. When any place of employment is created or abolished, or the compensation attached thereto altered, the officer or board making such change shall immediately report in writing to the Commissioners.

Duties of Commissioners.

SEC. 14. The Commissioners shall investigate the enforcement of the provisions of this Article, and of its rules, and the action of the examiners herein provided for, and the conduct and action of the appointees in the classified service in the City and County, and may inquire as to the nature, tenure and compensation of all places in the public service thereof.

The Mayor may require a report from the Commissioners at any time.

Chief Examiner. Secretary. Duties. Salary.

SEC. 16. The Commissioners shall employ a Chief Examiner who shall, under their direction, superintend any examination held in the City and County under this Article, and who shall perform such other duties as the Commissioners may prescribe. The Chief Examiner shall be Secretary of the Commission by virtue of his office. He shall keep minutes of its proceedings, preserve all reports made to it, and keep a record of all examinations held under its direction. He shall receive an annual salary of twenty-four hundred dollars.

Offices and Supplies.

SEC. 17. The Supervisors shall furnish the Commission with suitable offices, office furniture, books, stationery, blanks, heat and light, and shall provide for the payment of such other expenses as may be necessarily incurred in carrying out the provisions of this Article.

No Aid, Hindrance, Fraud or Collusion Permitted.

SEC. 18. No person or officer shall by himself, or in co-operation with other persons, defeat, deceive or obstruct any person in respect to his or her right of examination; or falsely mark, grade, estimate or report upon the examination or proper standing of any person examined hereunder, or aid in so doing; or make any false representations concerning the same, or concerning the person examined; or furnish to any person any special or secret information for the purpose of either improving or injuring the prospects or chances of any person of being appointed, employed or promoted.

faithful performance of their duties in such sums as may be fixed by it. Such bonds shall be approved by the Mayor and filed in the office of the Auditor. The person elected President shall hold his office for one year, or until his successor is elected. No contract shall be entered into authorizing the expenditure of money without the approval of four of the Commissioners. Every contract exceeding five hundred dollars in amount shall be open to public competition, unless the Board shall determine in any given case to have the work done by day's labor. SEC. 5. The Commissioners may adopt ordinances for the regulation, use and government of the aforesaid parks, squares, avenues and grounds not inconsistent with the laws of the State of California or with this Charter. Such ordinances shall, within five days after their passage, be published for ten days, Sundays excepted, in the official newspaper. pose; or to permit any person, company or corporation to build or maintain any structure on any part of said parks, squares, avenues or grounds; but this shall not inhibit the Board from leasing, for a period not greater than one year, such buildings as may be constructed by itself for the use of the public to such person, company or corporation who shall undertake to serve such use; and in every such lease the Board shall reserve the right to enter at all times into and upon the premises so leased, and shall make the condition that the buildings so leased shall be used for park-pleasure purposes only. No such building shall be constructed by the Board except it be within the objects and purposes for which said parks, squares, avenues and grounds were dedicated to the public.

None of the moneys in, or appropriated to, the Park Fund shall be used for the purposes of any such Fair or Exposition.
